INTRODUCTION

This campaign finance manual has been revised to bring you the most recent changes in election law and to provide “nuts and bolts” guidance on how to comply with the campaign finance disclosure and filing requirements set forth in Indiana Code 3-9. If you are a candidate or the treasurer of a political committee (e.g., PAC, regular party committee, legislative caucus committee, or candidate committee), this manual should help you find your way through the myriad of election laws, while giving you the forms you need to comply with campaign finance disclosure provisions.

This manual is designed to serve as a resource for campaign finance requirements. Although the Election Division staff has taken every effort to ensure the accuracy of the information in this publication,

Where your legal rights are involved, do not rely on this manual. Instead, review the law yourself or consult your attorney.

We want to emphasize the importance of your compliance with applicable campaign finance requirements. By law, you will be fined \$50 per day (maximum of \$1,000) for reports filed past the deadline. Failure to timely file a campaign finance report may also subject you to criminal penalties. If your report is found to be defective, you may be fined \$10 per day (maximum of \$100) for failure to correct the report in a timely manner.

Since the consequences can be dire, we want to provide you with a clear guide to campaign finance compliance. You should make it a practice to contact the Election Division staff for help on any question or issue that may arise. We are happy to assist you and to help you prevent mistakes from happening from the outset.

Our campaign finance coordinators are well trained and eager to assist you. Please also feel free to contact other members of the staff, most of whom are trained to address campaign finance questions. Feel free to call, meet with us in person, or e-mail us through our Internet home page at www.state.in.us/sos/elections.

Chapter 2: Federal Candidates and Political Committees

Duplicate Filing at State and Federal Level

Candidates for federal office and federal political committees must file campaign finance reports with the Federal Election Commission (FEC). United States Senate candidates file with the Secretary of the U.S. Senate. Copies of Senate candidate reports are then forwarded to the FEC. (2 USC 431 et seq. 11 CFR 100 et seq.) A copy of FEC-filed reports must be filed with the Election Division of the Indiana Secretary of State's Office. (2 USC 439(a)(1). 11 CFR 104.4)

These federally required reports consist of:

- (1) The federal equivalent of the committee's statement of organization.
- (2) The federal campaign finance reports.
- (3) Reports of independent expenditures.

State Responsibilities

Federal filing requirements are enforced at the federal, **not the state**, level. (2 USC 453. 11 CFR 108.7)

The Indiana Election Division is required to:

- (1) Receive and maintain in an orderly manner all federal committee reports and statements.
- (2) Keep such reports and statements for at least two years after their receipt.
- (3) Make each report and statement available as soon as practicable, but within 48 hours of receipt, for public inspection and copying during regular business hours, and permit copying of the reports at the expense of the person requesting the copies.
- (4) Compile and maintain a current list of all reports and statements pertaining to each candidate. (2 USC 439(b). 11 CFR 108.6)

Federal Candidates' Responsibilities

An individual who wishes to become a candidate for federal office (President of the United States, Vice-President of the United States, United States Senator, United States Representative) **should contact the Federal Election Commission** to obtain forms and information regarding federal campaign finance filing deadlines and other requirements.

The Federal Election Commission can be reached at::

Telephone: 202-219-3420 or 800-424-9530, ext. 1
Facsimile: 202-219-8500
Internet: www.fec.gov
US Mail: 999 E Street, NW
Washington, DC 20463-0002

A candidate for federal office must file duplicate copies of the candidate's federal forms and reports with the Indiana Election Division. This duplicate copy must be hand delivered to the Election Division (or sent by certified mail and postmarked) no later than the deadline for filing the original form or report with the Federal Election Commission. (Contact the FEC for applicable deadlines.)

The Election Division of the Office of the Secretary of State can be reached at:

Telephone: 317-232-3939 or
800-622-4941 (Indiana only)

Facsimile: 317-233-6793

Internet: www.state.in.us/sos/elections

US Mail: 302 W. Washington St, Ste E204
Indianapolis, IN 46204-2767

Federal Enforcement Procedures

Shortly after each federal filing deadline, the FEC contacts the Election Division to inquire whether each candidate for federal office has filed a copy of the federal campaign finance report with the Election Division. If the FEC is advised that a candidate has *not* filed the duplicate copy with the Election Division, the FEC then contacts the candidate's committee and undertakes enforcement procedures when necessary.

Similar procedures are employed when the FEC is notified of a *defective* filing of the duplicate copy with the Election Division. The FEC contacts the candidate's committee to resolve the problem regarding the defective report.

NOTE: A candidate for federal office is NOT required to file any Indiana campaign finance forms (such as the CFA-1 or CFA-4) with the Indiana Election Division. However, a candidate for nomination to federal office in a primary election MUST file a primary declaration of candidacy form (CAN-2) with the Election Division no later than noon, February 18, 2000.

Federal Reports by Political Action Committees

A political action committee wishing to accept contributions or make expenditures regarding candidates **FOR FEDERAL OFFICES ONLY**, such as President of the United States, Vice-President of the United States, United States Senator, and United States Representative, **(AND NOT FOR STATE OR LOCAL OFFICES)** should contact the Federal Election Commission to obtain forms and information regarding federal campaign finance filing deadlines and other requirements. The FEC can be reached at the address and telephone number listed above.

A political action committee accepting contributions or making expenditures regarding candidates for federal office ONLY must file duplicate copies of the committee's federal forms and reports with the Indiana Election Division. This duplicate copy must be hand delivered to the Election Division (or sent by certified mail and postmarked) no later than the deadline for filing the original form or report with the Federal Election Commission. (Contact the FEC for applicable deadlines.)

Enforcement Procedures for Federal PACS

After each filing deadline, the FEC provides the Election Division with a listing of political action committees that should have filed a duplicate copy of an FEC report with the Election Division. If the FEC is advised that a political action committee has *not* filed the duplicate copy with the Election Division, the FEC then contacts the committee and undertakes enforcement procedures when necessary.

Similar procedures are employed when the FEC is notified of a *defective* filing of the duplicate copy with the Election Division. The FEC contacts the political action committee to resolve the problem regarding the defective report.

Special Reporting Requirements for Some Federal PACs

A political action committee which accepts contributions or makes expenditures regarding elections to federal office ONLY is NOT required to file any Indiana campaign finance forms (such as the CFA-2 or CFA-4, or the "supplemental report" discussed below) with the Indiana Election Division.

Political action committees that accept contributions and make expenditures regarding **CANDIDATES FOR BOTH FEDERAL AND STATEWIDE (OR STATE LEGISLATIVE) OFFICES IN INDIANA MUST register with the Indiana Election Division by filing a copy of the CFA-2 statement of organization form.**

These political action committees must also file the following documents with the Election Division:

- (1) A duplicate copy of its federal campaign finance report.
- (2) A supplemental report itemizing information regarding contributions.

The supplemental report required for this type of political action committee under IC 3-9-5-13(b) lists contributions and expenditures **to the political action committee** by any person in an amount of more than \$100 and no more than \$200, **assuming that the contributions were used for state election (rather than federal election) purposes**. In practice, this means that the PAC would be reporting contributions to its "State Account" and not to its "Federal Account". The reporting of contributions to a PAC's "Federal Account" is preempted by federal law. *See FEC Advisory Opinion 1986-27*.

Indiana law permits this type of political action committee to file a duplicate copy of its federal filing (Form 3X) rather than recapitulate all of this information on the Indiana version of this form (the CFA-4). Many of these political action committees **highlight** the \$100-\$200 contribution entries on their duplicate copy of the FEC report, and file that copy with the Election Division.

If there are no contributions in excess of \$100 during a reporting period, the political action committee treasurer must file a written statement to that effect with the Election Division.

Since the reporting of these \$100-\$200 contributions is solely a requirement imposed under Indiana law, the supplemental reports are subject to the same Indiana enforcement procedures that apply to delinquent or defective reports filed by other Indiana political action committees (IC 3-9-4 and IC 3-9-5).

A political action committee accepting contributions and making expenditures regarding **BOTH FEDERAL AND LOCAL CANDIDATES**, must follow the same procedure in registering and reporting with the appropriate County Election Board, rather than the Election Division.

Federal Reports by Regular Party Committees

A regular party committee which wishes to accept contributions or make expenditures regarding candidates for federal office (President of the United States, Vice-President of the United States, United States Senator, United States Representative) **should contact the Federal Election Commission** at the above address and telephone number to obtain forms and information regarding federal campaign finance filing deadlines and other requirements.

A regular party committee accepting contributions or making expenditures regarding candidates for federal office must file duplicate copies of the committee's federal forms and reports with the Indiana Election Division. This duplicate copy must be hand delivered to the Election Division (or sent by certified mail and postmarked) no later than the deadline for filing the original form or report with the Federal Election Commission. (Contact the FEC for applicable deadlines.)

After each filing deadline, the FEC provides the Election Division with a listing of regular party committees that should have filed a duplicate copy of an FEC report with the Election Division. If the FEC is advised that a regular party committee has *not* filed the duplicate copy with the Election Division, the FEC then contacts the committee and undertakes enforcement procedures when necessary.

Similar procedures are employed when the FEC is notified of a *defective* filing of the duplicate copy with the Election Division. The FEC contacts the regular party committee to resolve the problem regarding the defective report.

NOTE: A regular party committee which accepts contributions or makes expenditures regarding elections to federal office is NOT required to file any Indiana campaign finance forms (such as the CFA-3 or CFA-4) with the Indiana Election Division.

Likewise, although Indiana Code 3-9-5-13(a) and (b) apply to all "persons" required to file duplicate copies of federal reports, such as a regular party committees, since both federal law and Indiana law only require regular party committees to itemize contributions that are more than \$200, and expenditures to persons **other than committees** in an amount of more than \$200, **supplemental reports are not required from these types of regular party committees under Indiana law (IC 3-9-5-14 (a)(1)).**

Chapter 3: Candidate's Committee

Definition of a Candidate: An individual may become a candidate for **other** election law purposes by acting to qualify under Indiana law for listing on the ballot at an election or to become a write-in candidate; by publicly announcing or declaring candidacy for an elected office; or otherwise by seeking nomination for an election to an elected office. **These announcements do not automatically make the individual a candidate for purposes of the Indiana Campaign Finance Act.**

For campaign finance purposes, an individual becomes a “candidate” when the individual, the candidate’s committee, or a person acting with the consent of the individual:

1. receives more than \$100 in contributions; or
2. makes more than \$100 in expenditures. (IC 3-5-2-6)

Each candidate, when filing a declaration of candidacy or similar document, is now required to separately sign a statement indicating that the candidate is aware of requirements of the Act and agrees to comply with them.

Candidate's Committee: A candidate’s committee is designated by a candidate to accept contributions and make expenditures for the purpose of promoting the candidate for election. A candidate who has not decided whether to become a candidate for a **specific** office may organize an **“exploratory committee”** (IC 3-5-2-7). This candidate must file an amended statement of organization when the individual decides to become a candidate for a specific office.

Every candidate must have a principal political committee (candidate’s committee) and file a CFA-1 form designating the committee as such. The statement of organization (CFA-1) must be filed by the **candidate no later than noon ten (10) days after becoming a candidate, or noon seven (7) days after the final day and hour for filing for an elected office, whichever occurs first.** If a candidate does not designate a principal political committee, the Election Division or county election board is required to designate such a committee for the candidate, naming the candidate as both the chairperson and the treasurer.

A candidate’s committee cannot be the principal committee for more than one candidate. (IC 3-9-1-5 and IC 3-9-1-6)

Organizing A Candidate's Committee

Every committee must have a chairperson and a treasurer. No expenditures may be made or contributions accepted for or on behalf of a candidate's committee without the authorization of its chairperson or treasurer.

The **chairperson** is the elected or appointed head or presiding officer of the candidate's committee. Every candidate's committee must have a chairperson.

A **treasurer** of a candidate's committee:

1. Must be a United States citizen;
2. May not be the chairman of a committee except in the case of a candidate (IC 3-9-1-13);
3. Must be appointed treasurer in writing as required by (IC 3-9-1-14); and
4. Must file the written instrument of appointment as required by (IC 3-9-1-15).

A candidate may be chairman, treasurer, or both of the candidate's committee. A treasurer of one committee may be the treasurer of another committee unless the treasurer is also a candidate. (IC 3-9-1-7 and IC 3-9-1-18)

The chairman of a committee shall appoint or designate the treasurer of the committee in a written instrument. (This designation and the treasurer's written acceptance is included on the CFA-1 form.) (IC 3-9-1-14)

Forms to File

CFA-1 Candidate's Statement of Organization and Designation of Principal Committee or Exploratory Committee

Every candidate for nomination or election to an office, for which the compensation is at least \$5,000 per year, must have a principal political committee.

The candidate must file the CFA-1 form no later than noon ten (10) days after becoming a candidate, or noon seven (7) days after the final day and hour for filing for an elected office, whichever occurs first.

No later than noon fourteen (14) days after the applicable filing deadline, the Election Division or the appropriate county election board must determine if each candidate has filed the required CFA-1 form. (IC 3-8-1-1.6) If a required form is not filed, the candidate will then be appointed both as the chairperson and treasurer of the committee. (IC 3-9-1-6) Failing to file this statement will result in civil penalties. (See Chapter 10 of this manual for further information regarding penalties.)

EXCEPTION: A candidate for a **school board office** who receives more than \$500 in contributions or makes more than \$500 in expenditures as a school board candidate, must have a principal committee. This requirement applies regardless of the annual compensation for the school board office. A school board candidate must file the CFA-1 form no later than noon **ten (10) days after the candidate exceeds the \$500 contribution or expenditure amount.**

Amending the CFA-1 Form: When changes occur in the information set forth in a previously filed CFA-1 form, such as a new chairperson, treasurer, mailing address, change of committee name, etc., an **amended** CFA-1 form must be filed no later than ten (10) days after the change. Check the box on the CFA-1 form to indicate an amendment is filed.

NOTE: When filing an amendment, **ONLY complete the line or lines where a change has been made.** Either a candidate or a committee chairperson must sign the amendment.

CFA-4 Receipts and Expenditures Report of a Candidate's Committee

In most cases, a candidate committee's treasurer must file **three** receipts and expenditures reports (pre-primary, pre-election, annual) for every calendar year in which a candidate appears on any election ballot for any office or seeks nomination for election in any caucus or state convention. The candidate's committee may also be required to file the pre-primary and pre-election "large contribution" supplemental reports, if applicable, discussed further below.

Twenty-one (21) days before the campaign finance reports are due, the Election Division mails the proper campaign finance report forms along with a notice that states the date the campaign finance reports are due. The Election Division is required to mail notices and forms only to candidates for state offices and legislative offices. A county election board may, but is not required to, mail these forms to candidates for local office. (IC 3-9-4-14)

Pre-Primary Report: The financial report of a candidate's committee that covers the period beginning January 1 of the reporting year, (or the organizational date of the committee if after January 1), and ending 25 days before the primary election. This report must be filed with the Election Division or appropriate county election board by **noon** 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than **noon** 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Pre-Election Report: The financial report of a candidate's committee that covers the period beginning 24 days before the primary election and ending 25 days before the general election. This report must be filed with the Election Division or appropriate county election board by **noon** 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the election division or county election board not later than **noon** 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Annual Report: The financial report of a candidate's committee that covers the period beginning 24 days before the general election and ending December 31 of that year. This report must be filed with the Election Division or appropriate county election board by **noon** on the third Wednesday in January of the following year. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than **noon** on the third Wednesday in January. (IC 3-9-5-10)

Outgoing Treasurer's Report: If a treasurer is removed, resigns or otherwise vacates the position of treasurer of a political committee, the outgoing treasurer must file a report no later than 30 days after the vacancy occurs. This report must cover the period from the most recent report up to the last day the individual was treasurer. This report is filed in the usual manner and in the same location as the other reports. (IC 3-9-5-12) The purpose of the outgoing treasurer's report is to enable the new treasurer to assume office with up-to-date records.

Final/Disbanding Report: No later than **noon** 30 days after a candidate's committee disbands, the last treasurer must file a financial report complete as of the last day the political committee existed, covering the period since the most recent report. See the explanation of "Disbanding of Political Committee" for more information. (IC 3-9-5-11)

CFA-11 Supplemental "Large Contribution" Report by a Candidate's Committee (\$1,000 Contributions or More)

This form is to be used by the treasurer of a candidate's committee to report "large contributions" received after a pre-primary or pre-election reporting period. This form consists of a single sheet to report "large contributions" of at least \$1,000 or more received by a candidate, candidate's committee, or the treasurer of a candidate's committee:

1. not more than twenty-five (25) days before a convention, primary, or general election; and
2. ending 48 hours before a convention, primary or general election (IC 3-9-5-20.1)

This form must be filed if the candidate on the election ballot receives a “large contribution.” The candidate does not have to file a CFA-11 form if the candidate did not receive any “large contributions” during these reporting periods. The CFA-11 form must be filed with the Election Division or the appropriate county election board.

NOTE: Any contribution reported on the supplemental report must ALSO be reported on the CFA-4 form filed after the end of the regular reporting period.

Candidates Not Appearing on the Ballot

Generally speaking, in a year in which a candidate does not appear on an election ballot for an office to which IC 3-9 applies, or does not seek nomination at a caucus or state convention for election to an office to which IC 3-9 applies, the treasurer of the candidate’s committee shall file only one report that is complete as of December 31 of the previous year and covers the period since the last report. (IC 3-9-5-16) This report shall be filed with the Election Division or appropriate county election board office by noon of the third Wednesday of January of the following year. (IC 3-9-5-9)

EXCEPTION: A candidate who holds one office and is a candidate for a different office shall have the treasurer of the candidate’s committee for the office the candidate holds file the following report:

1. If the committee spends, transfers in, or transfers out at least \$10,000 from January 1 until 25 days before the primary election, the treasurer shall file a pre-primary report.
2. If the committee spends, transfers in, or transfers out at least \$10,000 from 25 days before the primary election until 25 days before the general election, the treasurer shall file a pre-election report.
3. The treasurer shall file a report that is complete as of December 31 of the previous year and covers the period from the last report. This annual report is due by noon of the third Wednesday in January.

Convention Candidates

Pre-Convention Report: This report is used by candidates for offices nominated at a political party convention. Convention candidates file this report instead of the pre-primary report. This report covers the period beginning January 1, of the reporting year, (or the organizational date of the committee if after January 1), and ending 25 days before the convention. This report must be filed with the Election Division by **noon** 7 days before the convention. (IC 3-9-5-6 and IC 3-9-5-7)

Post-Convention Report: This report is used by candidates for offices nominated at a political party convention and who become candidates after the pre-convention reporting period deadline. The reporting period for this report begins on the date the individual becomes a candidate and ends on the day following the adjournment of the convention. This report is due no later than **noon** 20 calendar days after the convention convenes. (IC 3-9-5-8)

Note: Convention candidates who filed pre or post convention reports will use the day following that reporting period as the beginning of the pre-election reporting period. Thereafter, they will follow the normal reporting requirements of a candidate's committee.

Candidates Defeated at the Primary or Convention

The treasurer of a candidate who is required to file a pre-primary or pre-convention report and who is defeated at the primary or convention, is disqualified, or withdrawals before the general election **IS NOT** required to file the pre-general election report. Instead, the treasurer must file an annual report the following January covering the period since the previous pre-primary or pre-convention report. (IC 3-9-5-9(c))

Candidates Nominated by Petition

Independent and minor political party candidates nominated by petition are not required to file a campaign finance report before the “nomination date.” The “nomination date” for these candidates is the final date the candidate’s certified petition of nomination is permitted to be filed with the Election Division or appropriate county election board. (IC 3-5-2-32.7)

The reporting period for the first report (filed on the CFA-4 form) required for a candidate nominated by petition begins on the date that the individual became a candidate and ends fourteen (14) days after the nomination date (the deadline for filing certified petitions). (IC 3-9-5-8.2)

This report must be filed with the Election Division or appropriate county election board by noon 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than noon 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Write-In Candidates

Write-in candidates are not required to file campaign finance reports before the “nomination date.” The “nomination date” for these candidates is the final date the candidate’s declaration of intent to be a write-in candidate is permitted to be filed with the Election Division or appropriate county election board. (IC 3-5-2-32.7)

The reporting period for the first report (filed on the CFA-4 form) required for a write-in candidate begins on the date that the individual became a candidate and ends fourteen (14) days after the nomination date (the deadline for filing a declaration of intent to be a write-in candidate). (IC 3-9-5-8.4)

This report must be filed with the Election Division or appropriate county election board by noon 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than noon 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Candidates Selected to Fill Ballot Vacancies

Candidates selected to fill ballot vacancies are not required to file campaign finance reports before the “nomination date.” The “nomination date” for these candidates is the date the certificate of selection of the candidate is filed with the Election Division or appropriate county election board. (IC 3-5-2-32.7)

Candidates selected to fill an “early” ballot vacancy (occurring more than 30 days before the general or municipal election): The reporting period for the first report (filed on the CFA-4 form) required for a candidate selected to fill an “early” ballot vacancy begins on the date that the individual became a candidate and ends fourteen (14) days after the nomination date (the date the certificate of selection is filed). (IC 3-9-5-8.5(c)) This report must be filed with the Election Division or appropriate county election board by noon 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than noon 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Candidates selected to fill a “late” ballot vacancy (occurring 30 days or less before the general or municipal election): The reporting period for the first report (filed on the CFA-4 form) required for a candidate selected to fill an “late” ballot vacancy begins on the date that the individual became a candidate and ends December 31 following the election. (IC 3-9-5-8.5(d)) This report must be filed with the Election Division or county election board by noon on the third Wednesday in January of the following year.

Candidates for Local Offices with Compensation of Less than \$5,000 per Year

If a candidate is seeking an office for which the compensation is less than \$5,000 per year, this candidate **IS NOT REQUIRED TO FILE ANY CAMPAIGN FINANCE STATEMENT OR REPORT WITH A COUNTY ELECTION BOARD**. To determine whether an office receives more than \$5,000 in compensation per year, the total salary that an individual receives must be computed, even if the funds come from different local government accounts. For example, if a town budget ordinance provides for the town clerk-treasurer to receive \$4,000 as a base salary for the office and also allots \$6,000 to the town clerk-treasurer for work performed for a town utility, the total compensation to the town clerk-treasurer is \$10,000 for campaign finance reporting purposes, and candidates for that office must file reports with the county election board. The same result occurs in some small townships where a township trustee receives additional compensation from another township account for serving as township assessor.

Candidates for School Board Offices

A candidate for school board office is **NOT REQUIRED TO FILE ANY CAMPAIGN FINANCE REPORT OR STATEMENT WITH A COUNTY ELECTION BOARD UNLESS THE CANDIDATE'S COMMITTEE RECEIVES MORE THAN \$500 IN CONTRIBUTIONS OR MAKES MORE THAN \$500 IN EXPENDITURES.** No later than noon ten (10) days after the candidate crosses either \$500 threshold, the candidate must file a CFA-1 form, statement of organization, and then file CFA-4 reports in the same manner as other candidates until the committee disbands. (IC 3-9-1-59(c)).

CFA-5 Notice to Candidate's Committee

This form is used by any organization or other political committee (including another candidate's committee) to notify a candidate's committee of either:

1. receipt of a contribution on behalf of the candidate's committee, or
2. the expenditure of funds by the committee on behalf of a candidate's committee, if the expenditure is made in support of the candidate who is specifically identifiable, or the expenditure is made in opposition to an opponent of the candidate who is specifically identifiable.

An expenditure is not considered to be made on behalf of a candidate if the expenditure is made to inform the members of the organization or the development of the committee's political party.

When any of these events occur, this notice must be transmitted immediately to the candidate's committee. Failure to do so may create discrepancies in the Receipts and Expenditures Reports of the candidate's committee.

The CFA-5 notice must contain **ALL** information required for the candidate's committee to properly report the contribution on the CFA-4 or CFA-11 report. This form is not to be filed with the Election Division or any county election board, but must be maintained as part of the records of the candidate's committee for the same period of time as required for all other records. (IC 3-9-5-15)

Contributions

A **contribution** is any donation accepted by a candidate's committee and made for the purpose of influencing an Indiana election. A "contribution" includes cash, checks, gifts of property or services, in-kind contributions, or any other things received by the committee that have value.

Contributions may be made by an individual, business, profit or non-profit corporation, trade association, labor organization, regular party committee, candidate's committee, or any other type of organization. (IC 3-5-2-15)

A contribution is considered to be received and accepted by a committee when any member of the committee:

- (1) has physical possession of the contribution; and
- (2) manifests an intent to keep the contribution by depositing the contribution.

A person makes a contribution during the calendar year in which the person relinquishes control over the contribution by:

- (1) depositing the contribution in the United States mail; or
- (2) transferring the contribution to any other person who has been directed to convey the contribution to the person intended to be the recipient of the contribution.

Candidate's Contribution: A candidate may make contributions to the candidate's own committee or to another political committee. Candidate contributions include expenditures made by the candidate from the candidate's personal funds to further the candidate's candidacy. Thus, if a candidate gives money to the candidate's committee, this money must be treated as a contribution or a loan and so designated on the report. If a candidate makes a direct expenditure from the candidate's own funds for a political purpose, this money must be reported as a contribution and then as an expenditure; in other words, as an in-kind contribution.

In-Kind Contributions: In-kind contributions are generally those contributions of things or services (such as posters, billboards, use of automobile, free lodging or any other type of property or services), that are paid for by another person or entity and then given to the committee or distributed by another for the benefit of the reporting committee. An in-kind contribution **does not** include a donation of cash, checks, or promissory notes. (IC 3-5-2-15)

Example: A private individual, or a committee printed and distributed 1,000 posters using the reporting candidate's picture and name, with the candidate's approval. The posters would be an in-kind contribution to the candidate's committee. If the posters have a fair market value of \$250, this amount should be listed on Schedule A **and also** on Schedule B of the CFA-4 form. The reason for the double entry of the value of an in-kind contribution (on the contribution schedule and the expenditure schedule of the CFA-4) is that the receipt by a committee of a non-cash item (posters, lodging, transportation, etc.) is considered the same as receiving the value of the goods or services in money and then spending that money to obtain the goods or services. In-kind contributions are itemized generally under the same guidelines as itemized contributions, except when between political committees. (In that situation, the contribution would be considered a "Transfer-In".)

Transfer-In: When a candidate's committee receives money or things of value from another political committee (which would otherwise be considered a contribution from a candidate's, political action or regular party committee) the exchange is designated as a transfer-in. The receiving committee is required to **itemize** each transfer-in from a particular political committee **regardless of the amount** during any reporting period and also report the cumulative (aggregate) amount received during the calendar year. Transfers-in must be itemized on Schedule A of the CFA-4 form. The total of all transfers-in per reporting period must be entered in Column A line 15(a) of the CFA-4 Summary Sheet. (IC 3-5-2-15)

Itemized Contributions: Itemized contributions are those contributions received by a candidate's committee from a contributor whose individual contributions or cumulative (aggregate) contributions exceed \$100 during any calendar year or reporting period. Thus, if a donor makes one contribution over \$100 for a year, then the name and address of the donor and the amounts and dates of this and each subsequent contributions must be itemized (listed) on Schedule A of the CFA-4 form. The total of all itemized contributions per reporting period must be entered in Column A on line 15(a) of the CFA-4 Summary Sheet. It is not necessary to amend previously filed reports to itemize contributions of less than \$100 given during the year **before** the individual crossed the threshold for itemization. (IC 3-9-5-14)

Contributions from Joint Accounts: If a committee receives an itemized contribution from an account held by more than one person (the most common example being a husband and wife whose names are both on a checking account), the contribution should be listed on the CFA-4 schedules as having been made by the person who signed the check. If the check is signed by both persons, or the check is accompanied by a written statement specifying that each person is a contributor and the amount of the contribution to be attributed to each, then the contribution should be listed on the CFA-4 schedules accordingly.

Unitemized Contributions: Unitemized contributions are those contributions received by a candidate's committee from contributors whose total contributions for a calendar year do not exceed \$100. Thus, if a donor makes one contribution per year of under \$100 or several contributions whose total is less than \$100 for the year, then the total the donor gave is not itemized but is totaled with all other similar unitemized contributions. The total of all unitemized contributions per reporting period must be entered in Column A on line 15(b) of the CFA-4 Summary Sheet. (IC 3-9-5-14)

Limitations on Contributions: The most significant limitations on contributions contained in the Campaign Finance Act apply to corporations, labor organizations, state legislative candidates, certain judges and certain state employees.

- A. **State Legislative Candidates:** A candidate for a state legislative office (whether an incumbent state legislator, or not) and the candidate's committee may not solicit or accept campaign contributions or conduct other fundraising activity during the "long session" (odd-numbered years). The "long session" begins for the purpose of the prohibition when the General Assembly reconvenes in January. This prohibition ends when the General Assembly adjourns sine die in an odd-numbered year.

This prohibition **does not** apply to legislative candidates participating in regular party committee activities. This prohibition **does not** apply in even-numbered years (such as 2000, for example), although legislative caucus committees may have adopted rules restricting activity by the committee or its members. Contact the respective legislative caucus for information on this issue. (IC 3-9-2-12)

- B. **Judicial Candidates:** Candidates for election to (or retention in) judicial office are governed by *The Code of Judicial Conduct*, which restricts political activity including the acceptance of contributions, by their candidates. Contact the State Court of Administration at 317/232-2543 for more information regarding these restrictions.
- C. **Allen County Superior Court Judge Candidates:** A special statute (IC 33-5-5.1-29.5) limits the amount of contributions that may be accepted by candidates for this office to a total of \$10,000 from all sources, and prohibits contributions from political parties and political action committees to their candidates.
- D. **Lake County Superior Court Judge Candidates:** A special statute which only applies to Lake County superior court judges (IC 33-5-29.5-43(c)) provides that a political party shall not directly or indirectly campaign for or against a judge who is subject to a retention vote under chapter 29.5.
- E. **State Employees:** Although most state employees have the right to make contributions to candidates and participate fully in the political process (IC 4-15-10-2), some employees may not solicit or receive contributions. Refer to the statutes listed below for detailed information. (IC 3-9-2-13)
1. IC 4-23-7-3.5 Indiana Library & Historical Department
 2. IC 4-23-7.1-38 Indiana State Library
 3. IC 4-23-7.2-17 Indiana Historical Bureau
 4. IC 8-23-2-3 Indiana Department of Transportation
 5. IC 14-9-7-1 & IC 14-10-3-10 Department of Natural Resources

(See Chapter 6 regarding Corporations and Labor Organizations for further information on contribution limitations.)

Note: If during the calendar year the cumulative contributions from any individual total \$100.01 or more, then this individual must be identified on the appropriate Schedule A of the CFA-4 Report.

Example: Mr. Smith gives \$10 to primary candidate Jones in March, \$101 in June and another \$10 in September. The June and September contributions must be itemized on the October report. The April report does not need to be amended to itemize the March contribution.

Prohibited Contributions: No contribution may be lawfully made unless it is made to a candidate's committee or to a person authorized by law to accept contributions.

All funds of a candidate's committee that accepts contributions or makes expenditures in an aggregate amount of more than two hundred dollars (\$200) in a year must be segregated from and not commingled with any personal funds of officers, members, or associates of the committee. (IC 3-9-2-9)

Other prohibitions in state law apply to foreign nationals and individuals and other entities involved in the regulated gaming industries. *(See Chapter 8 for detailed information.)*

Expenditures

An **Expenditure** is any payment, transfer or disbursements of money or things of value to another for political purposes. All expenditures made by a political committee must be reported on the Report of Receipts and Expenditures of a Candidate's Committee (CFA-4) for the period in which the expenditure was made. (IC 3-5-2-23)

Double Entry Method for Candidate Expenditures: If a candidate expends the candidate's own personal funds for political purposes, the amounts must be reported as a contribution to the candidate's principal committee and then as an expenditure by the candidate's committee.

Itemized Expenditures: Expenditures made by a political committee to an individual, business, group or others when the total (aggregate or cumulative) of the individual payments exceed \$100 during any calendar year or reporting period must be itemized. Example: if a committee makes a payment that totals more than \$100 for the year, then the individual receiving the payment from the committee must be itemized (listed) on Schedule B of the CFA-4. The total of all itemized expenditures per reporting period must be entered in Column A on line 17(a) of the CFA-4 Summary Sheet. (IC 3-9-5-14)

Reporting In-Kind Expenditures for Joint Fundraisers: On occasion, more than one candidate may join together for a fundraising event, with one candidate agreeing to make expenditures before the event (“the first candidate”) to pay for the fundraising costs, with the understanding that the other candidate participating in the fundraiser will reimburse the first candidate for a portion of the total costs. If this occurs, a candidate reimbursing the first candidate should report this reimbursement as an expenditure occurring when funds are transferred to the first candidate, not occurring on the date of the joint fundraiser.

Unitemized Expenditure: Expenditures made by a political committee to an individual, business, group or others, the total of which does not exceed \$100 during any calendar year may be reported as unitemized expenditures. The total of all unitemized expenditures per reporting period must be entered on line 17b of the Summary Sheet on the CFA-4. (IC 3-9-5-14)

Transfer-Out: When a candidate’s committee transfers money or things of value to another political committee (otherwise considered an expenditure by a political committee), the committee reports this as a “transfer-out”. The political committee transferring money or things of value to another political committee must itemize each transfer to a particular political committee **regardless of amount**. The receiving committee must also disclose the (aggregate or cumulative) amount transferred to that political committee during the calendar year. Transfers-out must be itemized on Schedule B of the CFA-4. The total of all transfers-out per reporting period must be entered in Column A line 17(a) of the CFA-4 Summary Sheet. (IC 3-5-2-23(b))

Note: Money received by a candidate or any committee as a contribution may not be used for primarily personal purposes by the candidate, the committee or by any other person except as described above.

Prohibited Expenditures: It is unlawful for any person, other than a treasurer, to pay any of the expenses of any committee, except as provided by law. A candidate’s committee or any person may not collect, receive, keep or disburse money or other things of value, for political purposes, unless a treasurer has been appointed **and unless such money or things so received, disbursed or expended have passed through the hands of the treasurer.** (IC 3-9-4-16,(a)(3) and IC 3-9-4-17(a)(3))

Money received by a candidate or committee as a contribution may be used only:

1. To defray any expenses reasonably related to the person's or committee's:
 - a. Campaign for federal, statewide, state legislative, or local offices;
 - b. Continuing political activity; or
 - c. Activity related to service in an elected office;
2. To make an expenditure to any national, state, or local committee of any political party or another candidate's committee; or
3. Upon dissolution of a committee, in a manner permitted under IC 3-9-1-12.

Money received by a candidate or committee as a contribution may not be used for primarily personal purposes by the candidate or by any other person except as described above. (IC 3-9-3-4) **A person who knowingly or intentionally violates IC 3-9-3-4 commits a Class A infraction and may be subject to a judgment of up to \$10,000 or a civil penalty of up to \$1,000 assessed by the Commission or the appropriate county election board.** (IC 3-14-1-16)

Expenditure Codes

Beginning with the 2000 Pre-Primary Report, all campaign finance committees MUST enter an expenditure code for each itemized expenditure made by the committee. (IC 3-9-4-4) The committee must enter one of the four (4) codes listed below in the box at the upper left corner of the "Recipient's Name and Mailing Address" section on Schedule B of the CFA-4 form. The reverse side of the form contains instructions regarding these codes. The expenditure codes committees must use are as follows:

Code:	C
Expenditure Type:	Contributions

Expenditure Definition: Direct and in-kind contributions the campaign can legally make to other campaigns, political action committees, community and charitable organizations. In the description column, the filer is directed to specify who benefited and, if in-kind, what was purchased.

Code: F
Expenditure Type: Fundraising

Expenditure Definition: Expenditures, direct or in-kind, associated with holding a fundraiser, including payments to restaurants, hotels and caterers, other food and refreshment vendors, entertainers, and speakers.

**Filers are directed to use an "A" for expenditures for printed matter produced in connection with fundraising events.*

Code: A
Expenditure Type: Advertising

Expenditure Definition: Expenditures associated with the production, design, photography, copy, layout, printing, reproduction and purchase of advertising and campaign communications including:

- Radio and television advertising
- Advertising in newspapers, periodicals, and other publications

Penalty: A report without the required expenditure codes is considered a defective report. The committee may be subject to a possible civil penalty of \$10 a day up to \$100 plus any investigative costs if the defect is not timely corrected. *(See Chapter 10 for more information about the penalty for defective reports.)*

Debts

Debts (Loans): Debts (loans) include all money or things of value that must be repaid or returned. Debts include, but are not limited to, amount of monies or items borrowed, credit purchases, credit card accounts, or other unpaid debts.

Debts **owed by** a committee (Schedule D, CFA-4) are those items borrowed by the reporting committee from an individual, business, lending institution, credit card company or another committee.

Debts **owed to** a committee (Schedule E, CFA-4) are those items that the reporting committee has loaned to another committee or other entity with the requirement that the item or money be returned. (IC 3-9-5-14)

Credit Purchases: Credit cards, credit accounts, etc., must be listed on the Debts Owed By the Committee, CFA-4 Schedule D, to the extent that there is still an outstanding balance (amount still owing). However, any payment made to pay off a credit purchase is considered an expenditure and the vendor or individual must be itemized as such.

Investments: Money received as a contribution may be invested by a committee in an account with a financial institution, savings and loan association, or credit union, or in any equity account. Any loss resulting from an investment may be reported as a committee expenditure. Any gain resulting from an investment must be reported as income.

Facsimile Filing of Campaign Finance Reports

The Election Division or county election board is not required to accept a campaign finance report sent by facsimile transmission unless the Indiana Election Commission or county election board has approved a policy permitting a campaign finance report or statement to be submitted by facsimile transmission. (IC 3-9-5-7) Check with the Election Division or county election board for more information regarding this policy.

Electronic Filing of Campaign Finance Reports

Beginning January 1, 2000, the Indiana Election Division is required to provide for the electronic submission, retrieval, storage, and disclosure of campaign finance reports by candidates for statewide and state legislative office. (IC 3-9-4-4; Public Law 176-1999, SECTION 138)

A campaign finance report submitted on disk (an “electronic submission”) by a candidate for state office or state legislative office must be in a format previously approved by the Indiana Election Commission which permits the Election Division to print out a hard copy of the report when the committee makes the submission. “Filing” of the report occurs under the Campaign Finance Act when the Election Division records the date and time of the printout on the hard copy of the report. If a discrepancy exists between the text of an electronic submission and a printed copy of the report, the text of the printed copy prevails until the committee files an amendment to the report. (IC 3-9-4-4)

A campaign finance report may be submitted by electronic mail if the Election Division or county election board has the ability to receive electronic mail and print out a hard copy of the report immediately upon receipt of the electronic mail. “Filing” of the report occurs under the Campaign Finance Act when the hard copy is printed out and the Election Division or county election board records the date and time of the printout on the hard copy of the report. If a discrepancy exists between the text of the electronic mail and a printed copy of the report, the text of the printed copy prevails until the committee files an amendment to the report. (IC 3-9-5-7)

Internet Publishing of Campaign Finance Reports

The Indiana Election Division now has a Campaign Finance Database that makes the information contained in the campaign finance reports filed with the Division available in a searchable, digital form on the Internet.

All reports filed with the Division are published on the Election Division's Internet homepage at:

www.state.in.us/sos/elections and www.indianacampaignfinance.com

The Election Division will strive to ensure that all entries on this homepage concerning your committee's campaign finance reports are accurate and complete. However, due to large volumes of data entry and short deadlines for publishing reports before elections, some errors can be expected to occur. If you discover an error or have a question regarding the Internet publication of your report, please contact the Election Division as soon as possible. We will work with you to resolve any problem quickly and efficiently.

Audits & Inquiries

The Election Division campaign finance staff or the county election board may contact your committee advising that a report or statement of organization is delinquent or defective, asking for clarification of a report or statement, or requesting information promptly.

Defective & Delinquent Reports

The Election Division and each county election board shall:

1. Ascertain whether candidates, committees or other persons have failed to file statements of organization or reports or have filed defective statements of organization or defective reports.
2. Give notice to **delinquents** to file a statement of organization or a report immediately upon receipt of notice.
3. Give notice to a committee filing a **defective** report to file a report to correct the defective report no later than noon five (5) calendar days after receiving the notice.

4. Make available for public inspection a list of delinquent reports and persons who fail to file the required statements and reports. The Election Division and each county election board shall post a list of delinquents in a public place at or near the entrance of the Commission's or board's respective offices. (IC 3-9-4-14 (2)(a))

A person who fails to file a required statement or report is subject to a civil penalty of up to \$1,000 to be assessed by the Commission, county election board, or both, for the delinquent report. The penalty is \$50 per day with the afternoon of the deadline day counting as the first day. Investigative costs may be added by the Commission and county election board to the penalty.

A person who fails to file a correction to a defective report is subject to a civil penalty up to \$100 to be assessed by the Commission, county election board, or both. The penalty is \$10 per day, with the afternoon of the fifth day after receipt of the notice counting as the first day. Investigative costs may be added by the Commission or county election board to the penalty.

State legislative candidate's committees that violate the prohibition against fundraising during a "long session" are also subject to a civil penalty to be assessed by the Commission. This penalty is equal to the greater of \$1,000 or two times the amount of the contribution received. (IC 3-9-4-16 and IC 3-9-4-17)

A person who fails to file a report required by the Campaign Finance Act with the appropriate office commits a Class B misdemeanor and is subject to a \$1,000 fine, 180 days imprisonment, or both. (IC 3-14-1-14)

A candidate for Allen County Superior Court Judge who exceeds the special limits applicable to those candidates is also subject to a Class B misdemeanor penalty along with a civil penalty to be assessed by the Allen county election board of no more than three times the amount of the excess contribution. (IC 3-14-1-10.5)

A person who knowingly files a fraudulent report commits a Class D felony and is subject to a \$10,000 fine, three years imprisonment, or both. (IC 3-14-1-13)

Disbanding a Candidate's Committee

A political committee may disband at any time by giving written notification and filing a final report (CFA-4 form) with the Election Division or appropriate county election board. Be certain to check the box on this form indicating that the committee is disbanding. If, before disbanding there are surplus funds, the committee may transfer the funds to one or any combination of the following:

1. one or more regular party committees,
2. one or more candidate's committees,
3. the Election Division,
4. an organization exempt from Federal income taxation under section 501 of the Internal Revenue Code,
5. contributors to the committee (on a pro rata basis).

The funds may also be used to:

1. defray any expense reasonably related to the candidate or committee's campaign for office,
2. continuing political activity, or activity related to service in an elected office,
3. to make an expenditure to any political party committee or another candidate's committee. (IC 3-9-1-12)

☆ **A dissolution and transfer of funds does not relieve the committee or its members from civil or criminal liability. (IC 3-9-3-4)**

Chapter 4: Political Action Committee and Legislative Caucus Committee

Political Action Committee: An organization located within or outside Indiana that:

(1) proposes to influence the election or defeat of a candidate for state, legislative, local or school board office or the outcome of a public question that will appear on the ballot in Indiana, **and**

(2) accepts contributions or makes expenditures during a calendar year that in the aggregate exceed one hundred dollars (\$100).

“Political Action Committee” also refers to all political committees that **are not** candidate’s committees, regular party committees, legislative caucus committees, or an auxiliary party organization. (IC 3-5-2-37)

Legislative Caucus Committee: An organization that is (1) organized by members of the general assembly who belong to the same state political party; (2) proposes to influence only the election of candidates for legislative office; and (3) accepts contributions or makes expenditures that exceed \$100 during a calendar year to influence only the election of candidates for legislative office. (IC 3-5-2-27.3)

As used in this Chapter “PAC” refers to political action committees and legislative caucus committees unless otherwise indicated.

Organizing a Political Action Committee

Every political action committee must have a chairperson and a treasurer. No expenditures may be made or contributions accepted for or on behalf of a political action committee without the authorization of its chairperson or treasurer. Within ten (10) days after its organization or after it becomes a political action committee, the committee must file a statement of organization (CFA-2 form). This form contains a line for a committee to indicate if it is a “legislative caucus committee” rather than a political action committee.

The **chairperson** is the elected or appointed head or presiding officer of the political action committee. Every political action committee must have a chairperson.

A **treasurer** of the political action committee:

1. Must be a United States citizen;
2. May not be the chairman of a committee (IC 3-9-1-13);
3. Must be appointed treasurer in writing as required by IC 3-9-1-14; and
4. Must file the written instrument of appointment as required by IC 3-9-1-15.

A treasurer of a political action committee may be the treasurer of another political committee unless the treasurer is also a candidate. (IC 3-9-1-18)

The chairman of a committee shall appoint or designate the treasurer of the committee in a written instrument. (This is included on the CFA-2 form.) (IC 3-9-1-14)

Forms to File

CFA-2 Political Action Committee Statement of Organization

All political action committees must file a statement of organization (CFA-2 form) to disclose the committee's organization and purpose.

The political action committee must file the CFA-2 form no later than ten (10) days after the organization of the committee. Both the chairperson and the treasurer must sign this form. (IC 3-9-1-3 and IC 3-9-1-4)

Amending the CFA-2 Form: When changes occur in the information set forth in a previously filed CFA-2 form, such as a new chairperson, treasurer, mailing address, change of committee name, etc., an amended CFA-2 form must be filed no later than ten (10) days after the change. Check the box on the CFA-2 form to indicate an amendment is filed.

NOTE: When filing an amendment, ONLY complete the line or lines where a change has been made. The chairperson must sign the amendment.

CFA-4 Receipts and Expenditures Report of a Political Committee

Generally speaking, a political action committee treasurer must file **three** receipts and expenditures reports (pre-primary, pre-election, and annual) for every calendar year in which the political action committee makes a contribution or expenditure to influence an Indiana election.

NOTE: If a political action committee has not received or made contributions or expenditures before a primary, general or municipal election, the political action committee must file a report stating that none have been made. (IC 3-9-5-16)

Pre-Primary Report: The financial report of a political action committee that covers the period beginning January 1 of the reporting year, (or the organizational date of the committee if after January 1), and ending 25 days before the primary election. This report must be filed with the Election Division or appropriate county election board by **noon** 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than **noon** 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Pre-Election Report: The financial report of a political action committee that covers the period beginning 24 days before the primary election and ending 25 days before the general election. This report must be filed with the Election Division or appropriate county election board by **noon** 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than **noon** 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Annual Report: The financial report of a political action committee that covers the period beginning 24 days before the general election and ending December 31 of that year. This report must be filed with the Election Division or appropriate county election board by **noon** on the third Wednesday in January of the following year. Reports transmitted by electronic mail must be filed with the Election Division or county election board not later than **noon** on the third Wednesday in January. (IC 3-9-5-10)

Note: A legislative caucus is only required to file an annual report for its activity in an odd-numbered year. It is not required to file a pre-primary or pre-election report during municipal election years. (IC 3-9-5-21)

Outgoing Treasurer's Report: If a treasurer is removed, resigns or otherwise vacates the position of treasurer of a political action committee, the outgoing treasurer must file a report no later than 30 days after the vacancy occurs. This report must cover the period from the most recent report up to the last day the individual was treasurer. This report is filed in the usual manner and in the same location as the other reports. (IC 3-9-5-12) The purpose of the outgoing treasurer's report is to enable the new treasurer to assume office with up-to-date records.

Final/Disbanding Report: No later than **noon** 30 days after a political action committee disbands, the last person to be treasurer must file a financial report complete as of the last day the political action committee existed, covering the period since the most recent report. See the explanation of "Disbanding of Political Committee" for more information. (IC 3-9-5-11)

Contributions

A **contribution** is any donation accepted by a political action committee governed by Indiana's election laws. A "contribution" includes cash, checks, gifts of property or services, in-kind contributions, or any other things received by the committee that have value. Contributions may be made by an individual, business, profit or non-profit corporation, trade association, labor organization, regular party committee, candidate's committee, or any other type of organization. (IC 3-5-2-15)

A contribution is considered to be received and accepted by a committee when any member of the committee:

- (1) has physical possession of the contribution; and
- (2) manifests an intent to keep the contribution by depositing the contribution.

A person makes a contribution during the calendar year in which the person relinquishes control over the contribution by:

- (1) depositing the contribution in the United States mail; or
- (2) transferring the contribution to any other person who has been directed to convey the contribution to the person intended to be the recipient of the contribution.

In-Kind Contributions: In-kind contributions are generally those contributions of things or services (such as posters, billboards, use of automobile, free lodging or any other types of property or services), that are paid for by another person or entity and then given to the committee or distributed by another for the benefit of the reporting committee. An in-kind contribution **does not** include a donation of cash, checks, or promissory notes. (IC 3-5-2-15)

Example: A private individual, or a committee printed and distributed 1,000 posters using the reporting PAC's name, with the PAC's approval. The posters would be an in-kind contribution to the PAC. If the posters have a fair market value of \$250, this amount should be listed on Schedule A **and also** on Schedule B of the CFA-4 form. The reason for the double entry of the value of an in-kind contribution (on the contribution schedule and the expenditure schedule of the CFA-4) is that the receipt by a committee of a non-cash item (posters, lodging, transportation, etc.) is considered the same as receiving the value of the goods or services in money and then spending that money to obtain the goods or services. In-kind contributions are itemized generally under the same guidelines as itemized contributions, except when between political committees. (In that situation, the contribution would be considered a "Transfer-In".)

Transfer-In: When a political action committee receives money or things of value from another political committee (which would otherwise be considered a contribution from a candidate's, political action or regular party committee) the exchange is designated as a transfer-in. The receiving political action committee is required to **itemize** each transfer-in from a particular political committee **regardless of the amount** during any reporting period and also report the cumulative (aggregate) amount received during the calendar year. Transfers-in must be itemized on Schedule A of the CFA-4. The total of all transfers-in per reporting period must be entered in Column A line 15(a) of the CFA-4 Summary Sheet. (IC 3-5-2-15)

Itemized Contributions: Itemized contributions are those contributions received by a political action committee from a contributor whose individual contributions or cumulative (aggregate) contributions exceed \$100 during any calendar year or reporting period. Thus, if a donor makes one contribution over \$100 for a year, then the name and address of the donor and the amounts and dates of this and each subsequent contribution must be itemized (listed) on Schedule A of the CFA-4 form. The total of all itemized contributions per reporting period must be entered in Column A on line 15(a) of the CFA-4 Summary Sheet. It is not necessary to amend previously filed reports to itemize contributions of less than \$100 given during the year **before** the individual crossed the threshold for itemization. (IC 3-9-5-14)

Contributions from Joint Accounts: If a committee receives an itemized contribution from an account held by more than one person (the most common example being a husband and wife whose names are both on a checking account), the contribution should be listed on the CFA-4 schedules as having been made by the person who signed the check. If the check is signed by both persons, or the check is accompanied by a written statement specifying that each person is a contributor and the amount of the contribution to be attributed to each, then the contribution should be listed on the CFA-4 schedules accordingly.

Unitemized Contribution: Unitemized contributions are those contributions received by a political committee from contributors whose total contributions for a calendar year do not exceed \$100. Thus, if a donor makes one contribution per year of under \$100 or several contributions whose total is less than \$100 for the year, then the total the donor gave is not itemized but must be totaled with all other similar unitemized contributions. The total of all unitemized contributions per reporting period must be entered in Column A on line 15(b) of the CFA-4 Summary Sheet. (IC 3-9-5-14).

Limitations on Contributions: The most significant limitations on contributions contained in the Campaign Finance Act apply to corporations, labor organizations, state legislative candidates, certain judges and certain state employees.

- A. **State Legislative Candidates:** A candidate for a state legislative office (whether an incumbent state legislator or not) and the candidate's committee may not solicit or accept campaign contributions or conduct other fundraising activity during the "long session" (odd-numbered years). The "long session" begins for the purpose of the prohibition, when the General Assembly reconvenes in January. This prohibition ends when the General Assembly adjourns sine die in an odd-numbered year.

This prohibition **does not** apply to legislative candidates participating in regular party committee activities. This prohibition **does not** apply in even-numbered years (such as 2000, for example), although legislative caucus committees may have adopted rules restricting activity by the committee or its members. Contact the respective legislative caucus for information on this issue. (IC 3-9-2-12)

- B. **Judicial Candidates:** Candidates for election to (or retention in) judicial office are governed by *The Code of Judicial Conduct*, which restricts political activity including the acceptance of contributions, by their candidates. Contact the State Court of Administration at 317/232-2543 for more information regarding these restrictions.
- C. **Allen County Superior Court Judge Candidates:** A special statute (IC 33-5-5.1-29.5) limits the amount of contributions that may be accepted by candidates for this office to a total of \$10,000 from all sources, and prohibits contributions from political parties and political action committees to their candidates.
- D. **Lake County Superior Court Judge Candidates:** A special statute which only applies to Lake County superior court judges (IC 33-5-29.5-43(c)) provides that a political party shall not directly or indirectly campaign for or against a judge who is subject to a retention vote under chapter 29.5.

E. **State Employees:** Although most state employees have the right to make contribution to candidates and participate fully in the political process (IC 4-15-10-2), some employees may not solicit or receive contributions. Refer to the statutes listed below for detailed information. (IC 3-9-2-13)

1. IC 4-23-7-3.5 Indiana Library & Historical Department
2. IC 4-23-7.1-38 Indiana State Library
3. IC 4-23-7.2-17 Indiana Historical Bureau
4. IC 8-23-2-3 Department of Transportation
5. IC 14-9-7-1 & IC 14-10-3-10 Department of Natural Resources

(See Chapter 6 regarding Corporations and Labor Organizations for further information on contribution limitations.)

Note: If during the calendar year the cumulative contributions from any individual total \$100.01 or more, then this individual must be identified on the appropriate Schedule A of the CFA-4 Report.

Example: Mr. Smith gives \$10 to Good Government PAC in March, \$101 in June and another \$10 in September. The June and September contributions must be itemized on the October report. The April pre-primary report does not need to be amended to itemize the March contribution.

Prohibited Contributions: No contribution may be lawfully made unless it is made to a political action committee or to a person authorized by law to accept contributions.

All funds of a political action committee that accepts contributions or makes expenditures in an aggregate amount of more than two hundred dollars (\$200) in a year must be segregated from and not commingled with any personal funds of officer, members, or associates of the committee. (IC 3-9-2-9)

Other prohibitions in state law apply to foreign nationals and individuals and other entities involved in the regulated gaming industries. *(See Chapter 8 for detailed information.)*

Expenditures

An **Expenditure** is any payment, transfer or disbursements of money or things of value to another for political purposes. All expenditures made by a political committee must be reported on the Report of Receipts and Expenditures of a political action committee (CFA-4) for the period in which the expenditure was made. (IC 3-5-2-23)

Itemized Expenditures: Expenditures made by a political committee to an individual, business, group or others when the total (aggregate or cumulative) of the individual payments exceed \$100 during any calendar year or reporting period must be itemized. Example: If a committee makes a payment that totals more than \$100 for the year, then the individual receiving the payment from the committee must be itemized (listed) on Schedule B of the CFA-4. The total of all itemized expenditures per reporting period must be entered in Column A on line 17(a) of the CFA-4 Summary Sheet. (IC 3-9-5-14)

Unitemized Expenditure: Expenditures made by a political committee to an individual, business, group or others, the total of which does not exceed \$100 during any calendar year may be reported as unitemized expenditures. The total of all unitemized expenditures per reporting period must be entered on line 17b of the Summary Sheet on the CFA-4. (IC 3-9-5-14)

Transfer-Out: When a political action committee transfers money or things of value to another political committee (otherwise considered an expenditure by a political committee). The political committee transferring money or things of value to another political committee must itemize each transfer to a particular political committee **regardless of amount**. The receiving committee must also disclose the (aggregate or cumulative) amount transferred to that political committee during the calendar year. Transfers-out must be itemized on Schedule B of the CFA-4. The total of all transfers-out per reporting period must be entered in Column A line 17(a) of the CFA-4 Summary Sheet. (IC 3-5-2-23(b))

Note: Money received by a committee as a contribution may not be used for primarily personal purposes by the political action committee or by any other person except as described above.

Prohibited Expenditures: It is unlawful for any person, other than a treasurer, to pay any of the expenses of any committee, except as provided by law. A political action committee or any person may not collect, receive, keep or disburse money or other things of value, for political purposes, unless a treasurer has been appointed **and unless such money or things so received, disbursed or expended have passed through the hands of the treasurer. (IC 3-9-4-16 (a)(3) and IC 3-9-4-17(a)(3))**

Money received by a political action committee as a contribution may be used only:

1. To defray any expenses reasonably related to the political action committee's continuing political activity;
2. To make an expenditure to any national, state, or local committee of any political party or a candidate's committee; or
3. Upon dissolution of a political action committee, in a manner permitted under IC 3-9-1-12.

Money received by a political action committee as a contribution may not be used for primarily personal purposes by the committee or by any other person except as described above. (IC 3-9-3-4) **A person who knowingly or intentionally violates IC 3-9-3-4 commits a Class A infraction and may be subject to a judgment of up to \$10,000 or a civil penalty of up to \$1,000 assessed by the Commission or the appropriate county election board. (IC 3-14-1-16)**

Expenditure Codes

Beginning with the 2000 Pre-Primary Report, all campaign finance committees MUST enter an expenditure code for each itemized expenditure made by the committee. (IC 3-9-4-4) The committee must enter one of the four (4) codes listed below in the box at the upper left corner of the "Recipient's Name and Mailing Address" section on Schedule B of the CFA-4 form. The reverse side of the form contains instructions regarding these codes. The expenditure codes committees must use are as follows:

Code: C
Expenditure Type: Contributions

Expenditure Definition: Direct and in-kind contributions the campaign can legally make to other campaigns, political action committees, community and charitable organizations. In the description column, the filer is directed to specify who benefited and, if in-kind, what was purchased.

Code: F
Expenditure Type: Fundraising

Expenditure Definition: Expenditures, direct or in-kind, associated with holding a fundraiser, including payments to restaurants, hotels and caterers, other food and refreshment vendors, entertainers, and speakers.

**Filers are directed to use an "A" for expenditures for printed matter produced in connection with fundraising events.*

Expenditure Type: Advertising

Expenditure Definition: Expenditures associated with the production, design, photography, copy, layout, printing, reproduction and purchase of advertising and campaign communications including:

- Radio and television advertising

Penalty: A report without the required expenditure codes is considered a defective report. The committee may be subject to a possible civil penalty of \$10 a day up to \$100 plus any investigative costs if the defect is not timely corrected. *(See Chapter 10 for more information about the penalty for defective reports.)*

Debts

Debts (Loans): Debts (loans) include all money or things of value that must be repaid or returned. Debts include, but are not limited to, amount of monies or items borrowed, credit purchases, credit card accounts, or other unpaid debts.

Debts **owed by** a committee (Schedule D, CFA-4) are those items borrowed by the reporting committee from an individual, business, lending institution, credit card company or another committee.

Debts **owed to** a committee (Schedule E, CFA-4) are those items that the reporting committee has loaned to another committee or other entity with the requirement that the item or money be returned. (IC 3-9-5-14)

Credit Purchases: Credit cards, credit accounts, etc., must be listed on the Debts Owed By the Committee, CFA-4 Schedule D, to the extent that there is still an outstanding balance (amount still owing). However, any payment made to pay off a credit purchase is considered an expenditure and the vendor or individual must be itemized as such.

Investments: Money received as a contribution may be invested by a committee in an account with a financial institution, savings and loan association, or credit union, or in any equity account. Any loss resulting from an investment may be reported as a committee expenditure. Any gain resulting from an investment must be reported as income.

Facsimile Filing of Campaign Finance Reports

The Election Division or county election board is not required to accept a campaign finance report sent by facsimile transmission unless the Indiana Election Commission or county election board has approved a policy permitting a campaign finance report or statement to be submitted by facsimile transmission. (IC 3-9-5-7) Check with the Election Division or county election board for more information regarding this policy.

Electronic Filing of Campaign Finance Reports

Beginning January 1, 2000, the Indiana Election Division is required to provide for the electronic submission, retrieval, storage, and disclosure of campaign finance reports by candidates for statewide and state legislative office. (IC 3-9-4-4; Public Law 176-1999, SECTION 138)

A campaign finance report submitted on disk (an “electronic submission”) by a candidate for state office or state legislative office must be in a format previously approved by the Indiana Election Commission which permits the Election Division to print out a hard copy of the report when the committee makes the submission. “Filing” of the report occurs under the Campaign Finance Act when the Election Division records the date and time of the printout on the hard copy of the report. If a discrepancy exists between the text of an electronic submission and a printed copy of the report, the text of the printed copy prevails until the committee files an amendment to the report. (IC 3-9-4-4)

A campaign finance report may be submitted by electronic mail if the Election Division or county election board has the ability to receive electronic mail and print out a hard copy of the report immediately upon receipt of the electronic mail. "Filing" of the report occurs under the Campaign Finance Act when the hard copy is printed out and the Election Division or county election board records the date and time of the printout on the hard copy of the report. If a discrepancy exists between the text of the electronic mail and a printed copy of the report, the text of the printed copy prevails until the committee files an amendment to the report. (IC 3-9-5-7)

Internet Publishing of Campaign Finance Reports

The Indiana Election Division now has a Campaign Finance Database that makes the information contained in the campaign finance reports filed with the Division available in a searchable, digital form on the Internet.

All reports filed with the Division are published on the Election Division's Internet homepage:

www.state.in.us/sos/elections and www.indianacampaignfinance.com

The Election Division will strive to ensure that all entries on this homepage concerning your committee's campaign finance reports are accurate and complete. However, due to large volumes of data entry and short deadlines for publishing reports before elections, some errors can be expected to occur. If you discover an error or have a question regarding the Internet publication of your report, please contact the Election Division as soon as possible. We will work with you to resolve any problem quickly and efficiently.

Audits & Inquiries

The Election Division campaign finance staff or the county election board may contact your committee advising that a report or statement of organization is delinquent or defective, asking for clarification of a report or statement, or requesting information promptly.

Defective & Delinquent Reports

The Election Division and each county election board shall:

1. Ascertain whether the political action committee or other persons have failed to file statements of organization or reports or have filed defective statements of organizations or defective reports.
2. Give notice to **delinquents** to file a statement of organization or a report immediately upon receipt of notice.
3. Give notice to a committee filing a **defective** report to file a report to correct the defective report no later than noon 5 calendar days after receiving the notice.
4. Make available for public inspection a list of delinquent reports and persons who fail to file the required supplemental statement and reports. The Election Division and each county election board shall post a list of delinquents in a public place at or near the entrance of the Commission's or board's respective offices. (IC 3-9-4-14 (2)(a))

A person who fails to file a required statement or report is subject to a civil penalty of up to \$1,000 to be assessed by the Commission, county election board, or both, for the delinquent report. The penalty is \$50 per day with the afternoon of the deadline day counting as the first day. Investigative costs may be added by the Commission and county election board to the penalty.

A person who fails to file a correction to the defective report is subject to a civil penalty up to \$100 to be assessed by the Commission, county election board, or both. The penalty is \$10 per day, with the afternoon of the fifth day after receipt of the notice counting as the first day. Investigative costs may be added by the Commission or county election board to the penalty.

A person who fails to file a report required by the Campaign Finance Act with the appropriate office commits a Class B misdemeanor and is subject to a \$1,000 fine, 180 days imprisonment, or both. (IC 3-14-1-14)

A person who knowingly files a fraudulent report commits a Class D felony and is subject to a \$10,000 fine, three years imprisonment, or both. (IC 3-14-1-13)

Disbanding a Political Action Committee

A political action committee may disband at any time by giving written notification and filing a final report (CFA-4 form) with the Election Division or appropriate county election board. Be certain to check the box on this form indicating that the PAC is disbanding. If there are surplus funds, the committee may transfer the funds before disbanding to one or any combination of the following:

1. one or more regular party committees,
2. one or more candidate's committees,
3. the Election Division,
4. an organization exempt from federal income taxation under Section 501 of the Internal Revenue Code,
5. contributors to the committee (on a pro rata basis).

The funds may also be used to make an expenditure to any political party committee or a candidate's committee. (IC 3-9-1-12)

A dissolution and transfer of funds does not relieve the committee or its members from civil or criminal liability. (IC 3-9-3-4)

Chapter 5: Regular Party Committee

Regular Party Committee: A central committee or a national committee of a political party. A regular party committee includes state committee, congressional district committee, county committee, city committee or town committee of a political party. It is the official organization for a party. (IC 3-5-2-42 and IC 3-5-2-8) Other committees affiliated with a political party may be classified as an “auxiliary party organization”. *(See Chapter 9 for more information.)*

Organizing a Regular Party Committee

Every regular party committee must have a chairperson and a treasurer. No expenditures may be made or contributions accepted for or on behalf of a regular party committee without the authorization of its chairperson or treasurer. Within ten (10) days after its organization or after it becomes a political committee, the committee must file a statement of organization (CFA-3 form).

The **chairperson** is the elected or appointed head or presiding officer of the regular party committee. Every regular party committee must have a chairperson.

A **treasurer** of a regular party committee:

1. Must be a United States citizen;
2. May not be the chairman of a committee (IC 3-9-1-13);
3. Must be appointed treasurer in writing as required by IC 3-9-1-14; and
4. Must file the written instrument of appointment as required by IC 3-9-1-15.

A treasurer of a regular party committee may be the treasurer of another committee unless the treasurer is also a candidate. (IC 3-9-1-18)

The chairman of a regular party committee shall appoint or designate the treasurer of the committee in a written instrument. (This is included on the CFA-3 form.) (IC 3-9-1-14)

Forms to File

CFA-3 Regular Party Committee Statement of Organization

Regular party committees must file a statement of organization (CFA-3 form) when organizing a committee to disclose the committee's organization. This form must be signed by the chairperson and treasurer. (IC 3-9-1-3 and IC 3-9-1-4)

The regular party committee must file a CFA-3 form no later than ten (10) days after the organization of the committee. Both the chairperson and the treasurer must sign this form.

Amending the CFA-3 Form: When changes occur in the CFA-3 form, such as a new chairperson, treasurer, mailing address, change of committee name, etc., an amended CFA-3 form must be filed no later than ten (10) days after the change. Check the box on the CFA-3 form to indicate an amendment.

NOTE: When filing an amendment, ONLY complete the line or lines where a change has been made. The chairperson must sign the amendment.

CFA-4 Receipts and Expenditures Report of a Political Committee

Generally speaking, a treasurer of a regular party committee must file **three** receipts and expenditures reports (pre-primary, pre-election, and annual) for every calendar year.

Pre-Primary Report: The financial report of a regular party committee that covers the period beginning January 1 of the reporting year, (or the organizational date of the committee if after January 1), and ending 25 days before the primary election. This report must be filed with the Election Division or appropriate county election board by **noon** 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board by **noon** 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Pre-Election Report: The financial report of a regular party committee that covers the period beginning 24 days before the primary election and ending 25 days before the general election. This report must be filed with the Election Division or appropriate county election board by **noon** 7 days after the date of the report. Reports transmitted by electronic mail must be filed with the Election Division or county election board by **noon** 7 days after the date of the report. (IC 3-9-5-6 and IC 3-9-5-7)

Annual Report: The financial report of a political committee that covers the period beginning 24 days before the general election and ending December 31 of that year. This report must be filed with the Election Division or appropriate county election board by **noon** on March 1. Reports transmitted by electronic mail must be filed with the Election Division or county election board by **noon** on March 1. (IC 3-9-5-10)

Outgoing Treasurer's Report: If a treasurer is removed, resigns or otherwise vacates the position of treasurer of a regular party committee, the outgoing treasurer must file a report no later than 30 days after the vacancy occurs. This report must cover the period from the most recent report up to the last day the individual was treasurer. This report is filed in the usual manner and in the same location as the other reports. (IC 3-9-5-12) The purpose of the outgoing treasurer's report is to enable the new treasurer to assume office with up-to-date records.

Final/Disbanding Report: No later than **noon** 30 days after a regular party committee disbands, the last person to be treasurer must file a financial report complete as of the last day the regular party committee existed, covering the period since the most recent report. See the explanation of "Disbanding of Political Committee" for more information. (IC 3-9-5-11)

Contributions

A **contribution** is any donation accepted by a regular party committee governed by Indiana's election laws. A "contribution" includes cash, checks, gifts of property or services, in-kind contributions, or any other things received by the committee that have value. Contributions may be made by an individual, business, profit or non-profit corporation, trade association, labor organization, regular party committee, candidate's committee, or any other type of organization. (IC 3-5-2-15)

A contribution is considered to be received and accepted by a committee when any member of the committee:

- (1) has physical possession of the contribution; and
- (2) manifests an intent to keep the contribution by depositing the contribution.

A person makes a contribution during the calendar year in which the person relinquishes control over the contribution by:

- (1) depositing the contribution in the United States mail; or
- (2) transferring the contribution to any other person who has been directed to convey the contribution to the person intended to be the recipient of the contribution.

In-Kind Contributions: In-kind contributions are generally those contributions of things or services (such as posters, billboards, use of automobile, free lodging or any other types of property or services), that are paid for by another person or entity and then given to the committee or distributed by another for the benefit of the reporting committee. An in-kind contribution **does not** include a donation of cash, checks, or promissory notes. (IC 3-5-2-15)

Example: A private individual, or a committee printed and distributed 1,000 posters using the reporting regular party committee's name, with the regular party committee's approval. The posters would be an in-kind contribution to the regular party committee. If the posters have a fair market value of \$250, this amount should be listed on Schedule A **and also** on Schedule B of the CFA-4 form. The reason for the double entry of the value of an in-kind contribution (on the contribution schedule and the expenditure schedule of the CFA-4) is that the receipt by a committee of a non-cash item (posters, lodging, transportation, etc.) is considered the same as receiving the value of the goods or services in money and then spending that money to obtain the goods or services. In-kind contributions are itemized generally under the same guidelines as itemized contributions, except when between political committees. (In that situation, the contribution would be considered a "Transfer-In".)

Transfer-In: When a regular party committee receives money or things of value from another political committee (which would otherwise be considered a contribution from a candidate's, political action or regular party committee) the exchange is designated as a transfer-in. The receiving political committee is required to **itemize** each transfer-in from a particular political committee **regardless of the amount** during any reporting period and also report the cumulative (aggregate) amount received during the calendar year.

Transfers-in must be itemized on Schedule A of the CFA-4. The total of all transfers-in per reporting period must be entered in Column A line 15(a) of the CFA-4 Summary Sheet. (IC 3-5-2-15)

Itemized Contributions: Itemized contributions are those contributions received by a regular party committee from a contributor whose individual contributions or cumulative (aggregate) contributions exceed \$200 during any calendar year or reporting period. Thus, if a donor makes one contribution over \$200 for a year, then the name and address of the donor and the amounts and dates of this and each subsequent contribution must be itemized (listed) on Schedule A of the CFA-4 form. The total of all itemized contributions per reporting period must be entered in column A on line 15(a) of the CFA-4 Summary Sheet. It is not necessary to amend previously filed reports to itemize contributions of less than \$200 given during the year **before** the individual crossed the threshold for itemization. (IC 3-9-5-14)

Contributions from Joint Accounts: If a committee receives an itemized contribution from an account held by more than one person (the most common example being a husband and wife whose names are both on a checking account), the contribution should be listed on the CFA-4 schedules as having been made by the person who signed the check. If the check is signed by both persons, or the check is accompanied by a written statement specifying that each person is a contributor and the amount of the contribution to be attributed to each, then the contribution should be listed on the CFA-4 schedules accordingly.

Unitemized Contribution: Unitemized contributions are those contributions received by a regular party committee from contributors whose total contributions for a calendar year do not exceed \$200. Thus, if a donor makes one contribution per year of under \$200 or several contributions whose total is less than \$200 for the year, than the total the donor gave is not itemized but must be totaled with all other similar unitemized contributions. The total of all unitemized contributions per reporting period must be entered in Column A on line 15(b) of the CFA-4 Summary Sheet. (IC 3-9-5-14).

Limitations on Contributions: The most significant limitations on contributions contained in the Campaign Finance Act apply to corporations, labor organizations, state legislative candidates, certain judges and certain state employees.

- A. **State Legislative Candidates:** A candidate for a state legislative office (whether an incumbent state legislator or not) and the candidate's committee may not solicit or accept campaign contributions or conduct other fundraising activity during the "long session" (odd-numbered years). The "long session" begins for the purpose of the prohibition, when the General Assembly reconvenes in January. This prohibition ends when the General Assembly adjourns sine die in odd-numbered years.

This prohibition **does not** apply in legislative candidates participating in regular party committee activities. This prohibition **does not** apply to even-numbered years (such as 2000, for example), although legislative caucus committees may have adopted rules restricting activity by the committee or its members. Contact the respective caucus for information on this point. (IC 3-9-2-12)

- B. **Judicial Candidates:** Candidates for election to (or retention in) judicial office are governed by *The Code of Judicial Conduct*, which restricts political activity including the acceptance of contributions, by their candidates. Contact the State Court of Administration at 317/232-2543 for more information regarding these restrictions.
- C. **Allen County Superior Court Judge Candidates:** A special statute (IC 33-5-5.1-29.5) limits the amount of contributions that may be accepted by candidates for this office to a total of \$10,000 from all sources, and prohibits contributions from political parties and political action committees to their candidates.
- D. **Lake County Superior Court Judge Candidates:** A special statute which only applies to Lake County superior court judges (IC 33-5-29.5-43(c)) provides that a political party shall not directly or indirectly campaign for or against a judge who is subject to a retention vote under chapter 29.5.
- E. **State Employees:** Although most state employees have the right to make contributions to candidates and participate fully in the political process (IC 4-15-10-2), some employees may not solicit or receive contributions. Refer to the statutes listed below for detailed information. (IC 3-9-2-13)
1. IC 4-23-7-3.5 Indiana Library & Historical Department
 2. IC 4-23-7.1-38 Indiana State Library
 3. IC 4-23-7.2-17 Indiana Historical Bureau
 4. IC 8-23-2-3 Indiana Department of Transportation
 5. IC 14-9-7-1, 14-10-3-10 Department of Natural Resources

(See Chapter 6 regarding Corporations and Labor Organizations for further information on contribution limitations.)

Note: *If during the calendar year the cumulative contributions from any individual total \$200.01 or more to the regular party committee, then this individual must be identified on the appropriate Schedule A of the CFA-4 Report.*

Example: Mr. Smith gives \$10 to the sixth district Federalist Party central committee in March, \$201 in June and another \$10 in September. The June and September contributions must be itemized on the October report. The April report does not need to be amended to itemize the March contribution.

Prohibited Contributions: No contribution may be lawfully made unless it is made to a regular party committee or to a person authorized by law to accept contributions.

All funds of a political committee that accepts contributions or makes expenditures in an aggregate amount of more than two hundred dollars (\$200) in a year must be segregated from and not commingled with any personal funds of officer, members, or associates of the committee. (IC 3-9-2-9)

Other prohibitions in state law apply to foreign nationals and individuals and other entities involved in the regulated gaming industries. *(See Chapter 8 for detailed information.)*

Expenditures

An **expenditure** is any payment, transfer or disbursements of money or things of value to another for political purposes. All expenditures made by a regular party committee must be reported on the Report of Receipts and Expenditures of a Political Committee (CFA-4) for the period in which the expenditure was made. (IC 3-5-2-23)

Itemized Expenditures: Expenditures made by a regular party committee to an individual, business, group or others when the total (aggregate or cumulative) of the individual payments exceed \$200 during any calendar year or reporting period must be itemized. Example: If a committee makes a payment that totals more than \$200 for the year, then the individual receiving the payment from the committee must be itemized (listed) on Schedule B of the CFA-4. The total of all itemized expenditures per reporting period must be entered in Column A on line 17(a) of the CFA-4 Summary Sheet. (IC 3-9-5-14)

Unitemized Expenditure: Expenditures made by a regular party committee to an individual, business, group or others, the total of which does not exceed \$200 during any calendar year may be reported as unitemized expenditures. The total of all unitemized expenditures per reporting period must be entered on line 17b of the Summary Sheet on the CFA-4. (IC 3-9-5-14)

Transfer-Out: When a regular party committee transfers money or things of value to another political committee (otherwise considered an expenditure by a political committee) the committee reports this as a “transfer-out”. The regular party committee transferring money or things of value to another political committee must itemize each transfer to a particular political committee **regardless of amount**. The receiving committee must also disclose the (aggregate or cumulative) amount transferred to that political committee during the calendar year. Transfers-out must be itemized on Schedule B of the CFA-4. The total of all transfers-out per reporting period must be entered in Column A line 17(a) of the CFA-4 Summary Sheet. (IC 3-5-2-23(b))

Note: Money received by a regular party committee as a contribution may not be used for primarily personal purposes by the committee or by any other person except as described above.

Prohibited Expenditures: It is unlawful for any person, other than a treasurer, to pay any of the expenses of any committee, except as provided by law. A regular party committee or any person may not collect, receive, keep or disburse money or other things of value, for political purposes, unless a treasurer has been appointed **and unless such money or things so received, disbursed or expended have passed through the hands of the treasurer.** (IC 3-9-4-16 (a)(3) and IC 3-9-4-17(a)(3))

Money received by a regular party committee as a contribution may be used only:

1. To defray any expenses reasonably related to the regular party committee's continuing political activity;
2. To make an expenditure to any national, state, or local committee of any political party or a candidate's committee; or
3. Upon dissolution of a regular party committee, in a manner permitted under IC 3-9-1-12.

Money received by a regular party committee as a contribution may not be used for primarily personal purposes by the committee or by any other person except as described above. (IC 3-9-3-4) **A person who knowingly or intentionally violates IC 3-9-3-4 commits a Class A infraction and may be subject to a judgment of up to \$10,000 or a civil penalty of up to \$1000 assessed by the Commission or the appropriate county election board.** (IC 3-14-1-16)

Expenditure Codes

Beginning with the 2000 Pre-Primary Report, all campaign finance committees MUST enter an expenditure code for each itemized expenditure made by the committee. (IC 3-9-4-4) The committee must enter one of the four (4) codes listed below in the box at the upper left corner of the "Recipient's Name and Mailing Address" section on Schedule B of the CFA-4 form. The reverse side of the form contains instructions regarding these codes. The expenditure codes committees must use are as follows:

Code: C
Expenditure Type: Contributions

Expenditure Definition: Direct and in-kind contributions the campaign can legally make to other campaigns, political action committees, community and charitable organizations. In the description column, the filer is directed to specify who benefited and, if in-kind, what was purchased.

Code: F
Expenditure Type: Fundraising

Expenditure Definition: Expenditures, direct or in-kind, associated with holding a fundraiser, including payments to restaurants, hotels and caterers, other food and refreshment vendors, entertainers, and speakers.

**Filers are directed to use an "A" for expenditures for printed matter produced in connection with fundraising events.*

Code: A
Expenditure Type: Advertising

Expenditure Definition: Expenditures associated with the production, design, photography, copy, layout, printing, reproduction and purchase of advertising and campaign communications including:

- Radio and television advertising
- Advertising in newspapers, periodicals, and other publications
- Advertisements on billboards and yard signs
- Campaign paraphernalia such as buttons, bumper stickers, T-shirts, hats, etc.
- Websites
- Campaign literature
- Printed solicitations
- Fundraising letters
- Mailing lists

Code: O
Expenditure Type: Operations

Expenditure Definition: General campaign operating expenses and overhead including:

- Wages, salaries and benefits associated with hiring campaign employees and other paid workers who provide miscellaneous services
- Contracts, fees, and commissions paid to campaign management companies and contract consultants including law firms
- Headquarters purchase or rental
- Utilities
- Purchase or rental of office equipment and furniture for the campaign
- Surveys and Polls – Including expenditures associated with the design and production of polls, election trend reports, voter surveys, telemarketing, telephone banks, Get Out The Vote drives, etc.
- Postage – Including stamps, or metered postage, direct mail services and delivery services like United Parcel Services and Federal Express
- Travel – Including fares accommodations and meals from campaign

Penalty: A report without the required expenditure codes is considered a defective report. The committee may be subject to a possible civil penalty of \$10 a day up to \$100 plus any investigative costs if the defect is not timely corrected. *(See Chapter 10 for more information about the penalty for defective reports.)*

Debts

Debts (Loans): Debts (loans) include all money or things of value that must be repaid or returned. Debts include, but are not limited to, amount of monies or items borrowed, credit purchases, credit card accounts, or other unpaid debts.

Debts **owed by** a committee (Schedule D, CFA-4) are those items borrowed by the reporting committee from an individual, business, lending institution, credit card company or another committee.

Debts **owed to** a committee (Schedule E, CFA-4) are those items that the reporting committee has loaned to another committee or other entity with the requirement that the item or money be returned. (IC 3-9-5-14)

Credit Purchases: Credit cards, credit accounts, etc., must be listed on the Debts Owed By the Committee, CFA-4 Schedule D, to the extent that there is still an outstanding balance (amount still owing). However, any payment made to pay off a credit purchase is considered an expenditure and the vendor or individual must be itemized as such.

Investments: Money received as a contribution may be invested by a committee in an account with a financial institution, savings and loan association, or credit union, or in any equity account. Any loss resulting from an investment may be reported as a committee expenditure. Any gain resulting from an investment must be reported as income.

Facsimile Filing of Campaign Finance Reports

The Election Division or county election board is not required to accept a campaign finance report sent by facsimile transmission unless the Indiana Election Commission or county election board has approved a policy permitting a campaign finance report or statement to be submitted by facsimile transmission. (IC 3-9-5-7) Check with the Election Division or county election board for more information regarding this policy.

Electronic Filing of Campaign Finance Reports

Beginning January 1, 2000, the Indiana Election Division is required to provide for the electronic submission, retrieval, storage, and disclosure of campaign finance reports by candidates for statewide and state legislative office. (IC 3-9-4-4; Public Law 176-1999, SECTION 138)

A campaign finance report submitted on disk (an “electronic submission”) by a candidate for state office or state legislative office must be in a format previously approved by the Indiana Election Commission which permits the Election Division to print out a hard copy of the report when the committee makes the submission. “Filing” of the report occurs under the Campaign Finance Act when the Election Division records the date and time of the printout on the hard copy of the report. If a discrepancy exists between the text of an electronic submission and a printed copy of the report, the text of the printed copy prevails until the committee files an amendment to the report. (IC 3-9-4-4)

A campaign finance report may be submitted by electronic mail if the Election Division or county election board has the ability to receive electronic mail and print out a hard copy of the report immediately upon receipt of the electronic mail. “Filing” of the report occurs under the Campaign Finance Act when the hard copy is printed out and the Election Division or county election board records the date and time of the printout on the hard copy of the report. If a discrepancy exists between the text of the electronic mail and a printed copy of the report, the text of the printed copy prevails until the committee files an amendment to the report. (IC 3-9-5-7)

Internet Publishing of Campaign Finance Reports

The Indiana Election Division now has a Campaign Finance Database that makes the information contained in the campaign finance reports filed with the Division available in a searchable, digital form on the Internet.

All reports filed with the Division are published on the Election Division's Internet homepage:

www.state.in.us/sos/elections and www.indianacampaignfinance.com

The Election Division will strive to ensure that all entries on this homepage concerning your committee's campaign finance reports are accurate and complete. However, due to large volumes of data entry and short deadlines for publishing reports before elections, some errors can be expected to occur. If you discover an error or have a question regarding the Internet publication of your report, please contact the Election Division as soon as possible. We will work with you to resolve any problem quickly and efficiently.

Audits & Inquiries

The Election Division campaign finance staff or the county election board may contact your committee advising that a report or statement of organization is delinquent or defective, asking for clarification of a report or statement, or requesting information promptly.

Defective & Delinquent Reports

The Election Division and each county election board shall:

1. Ascertain whether the political action committee or other persons have failed to file statements of organization or reports or have filed defective statements of organizations or defective reports.
2. Give notice to **delinquents** to file a statement of organization or a report immediately upon receipt of notice.
3. Give notice to a committee filing a **defective** report to file a report to correct the defective report no later than noon 5 calendar days after receiving the notice.
4. Make available for public inspection a list of delinquent reports and persons who fail to file the required supplemental statement and reports. The Election Division and each county election board shall post a list of delinquents in a public place at or near the entrance of the Commission's or board's respective offices. (IC 3-9-4-14 (2)(a))

A person who fails to file a required statement or report is subject to a civil penalty of up to \$1,000 to be assessed by the Commission, county election board, or both, for the delinquent report. The penalty is \$50 per day with the afternoon of the deadline day counting as the first day. Investigative costs may be added by the Commission and county election board to the penalty.

A person who fails to file a correction to the defective report is subject to a civil penalty up to \$100 to be assessed by the Commission, county election board, or both. The penalty is \$10 per day, with the afternoon of the fifth day after receipt of the notice counting as the first day. Investigative costs may be added by the Commission or county election board to the penalty.

State legislative candidates or committees who violate the prohibition against fundraising during a “long session” are also subject to a civil penalty to be assessed by the Commission. This penalty is equal to the greater of \$1,000 or two times the amount of the contribution received. (IC 3-9-4-16 and IC 3-9-4-17)

A person who fails to file a report required by the Campaign Finance Act with the appropriate office commits a Class B misdemeanor and is subject to a \$1,000 fine, 180 days imprisonment, or both. (IC 3-14-1-14)

A person who knowingly files a fraudulent report commits a Class D felony and is subject to a \$10,000 fine, three years imprisonment, or both. (IC 3-14-1-13)

Disbanding a Regular Party Committee

A regular party committee may disband at any time by giving written notification and filing a final report (CFA-4 form) with the Election Division or appropriate county election board. Be sure to check the box on the form indicating that the committee is disbanding. If there are surplus funds, the committee may transfer the funds before disbanding to one or any combination of the following:

1. one or more regular party committees,
2. one or more candidate's committees,
3. the Election Division,
4. an organization exempt from federal income taxation under Section 501 of the Internal Revenue Code,
5. contributors to the committee (on a pro rata basis).

The funds may also be used to make an expenditure to any political party committee or a candidate's committee. (IC 3-9-1-12)

☆ **A dissolution and transfer of funds does not relieve the committee or its members from civil or criminal liability. (IC 3-9-3-4)**

Chapter 6: Corporations and Labor Organizations

Corporation and Labor Organization Contributions

Subject to the restrictions discussed in this chapter, **corporations** and **labor organizations** may make a contribution to aid in the:

1. Election or defeat of a candidate;
 2. The success or defeat of:
 - a. A political party; or
 - b. A public question submitted to a vote in an election.
- (IC 3-9-2-3)

Corporations and **labor organizations** are not required to file campaign finance forms with the Indiana Election Division or any county election boards.

What is a Corporation?

A corporation is an entity required under Title 23 of the Indiana Code to file articles of incorporation with the Corporations Division of the Secretary of State of Indiana (or an entity which files articles of incorporation in another state, which may or may not file a certificate of authorization to do business as a "foreign corporation" with the Corporations Division of the Secretary of State of Indiana.)

A "corporation" does **not** include other types of business entities, such as a limited liability company, a limited partnership, a partnership, a sole proprietorship, an unincorporated association, and similar entities. *(See Chapter 7 for more information about these organizations.)*

Although narrowly applicable state laws limit or prohibit contributions by certain corporations *(See Chapter 8)*, generally speaking, any corporation may make a contribution subject to the limitations discussed in this chapter.

In general, if a corporation owns all or part of another corporation, this ownership interest does not affect the ability of the subsidiary or partially controlled corporation to make contributions, subject to the limits imposed under this chapter.

EXAMPLE: Big John Doe Corporation owns 100% of Little Doe, Inc. Big John Doe Co. and Little Doe, Inc. may each make an aggregate of \$22,000 in contributions, subject to the subcategory limits under IC 3-9-2-4. The result does not change if Big John Doe Corporation owns 51% or only 1% of Little Doe, Inc.

In discussing contributions by corporations, it is also important to distinguish between a corporation and the corporation's political action committee.

The contribution limits that apply to contributions by the corporation do not apply to the corporation's political action committee. For this reason, it is **critically important** for the entity making the contribution to inform the treasurer of any committee receiving a contribution **whether the contribution is from the corporation or the corporation's PAC**. In many cases, the name of the entity as printed on a check may not provide enough information by itself to prevent confusion on this point.

Subchapter S corporations are considered the same as other corporations for campaign finance purposes. Subchapter S status has no effect on the corporation's ability to make limited contributions under the Campaign Finance Act.

If a political action committee is incorporated, the committee is subject to the same restrictions applicable to other corporations under the Campaign Finance Act.

To determine if an entity has registered as a corporation in Indiana, contact the Business Services Information Line at 317.232.6575.

Nonprofit Corporations

Under Indiana law, nonprofit corporations are subject to the same limitations concerning contributions as business corporations. Questions regarding the tax exempt status of a nonprofit corporation which makes a political contribution are determined by the Internal Revenue Service, not the Commission, the Election Division or county election board. Contact the Internal Revenue Service at 317-377-0001 for additional information.

What is a Labor Organization?

In discussing contributions by labor organizations, it is important to distinguish between a labor organization (commonly called a labor union) and the union's political action committee.

The contribution limits that apply to contributions by the union do not apply to the union's political action committee. For this reason, it is **critically important** for the entity making the contribution to inform the treasurer of any committee receiving a contribution **whether the contribution is from the labor union or the labor union's PAC**. In many cases, the name of the entity as printed on a check may not provide enough information by itself to prevent confusion on this point.

Corporate and Labor Contribution Limitations

Although **corporations and labor organizations** are permitted to make direct contributions to candidate committees, regular party committees, legislative caucus committees and political action committees, they must comply with the maximum amounts for contributions (set forth on the following page). A corporation or labor organization may not exceed these total contributions during any calendar year.

Contribution Limitations For Corporations & Labor Organizations

- ✓ 5,000 ~ apportioned in any manner among all **statewide candidates** (not legislative, but including a judge of the court of appeals whose retention in office is voted on by a district that does not include all of Indiana); *NOTE: This subcategory does not apply to state legislative candidates.*
- ✓ 5,000 ~ apportioned in any manner among all **state central committees** of political parties;
- ✓ 2,000 ~ apportioned in any manner among all candidates for **state senate**;
- ✓ 2,000 ~ apportioned in any manner among all candidates for **state house of representatives**;
- ✓ 2,000 ~ apportioned in any manner among all **state senate legislative caucuses**;
- ✓ 2,000 ~ apportioned in any manner among all **state house of representative legislative caucuses**;
- ✓ 2,000 ~ apportioned in any manner among all **candidates for district, county, local and school board offices**; and
- ✓ 2,000 ~ apportioned in any manner among all **political party committees** other than state central committees.

Direct **corporation** and **labor organization** contributions to political action committees must be “**earmarked**”, meaning designated to go to one or more of the above categories and are subject to the limitations of each category. (IC 3-9-2-5)

However, a corporation or labor organization is not required, to designate a *specific* candidate or party when making its contribution. The reference to "specific" in IC 3-9-2-5(c) refers to a specific **subcategory** listed in IC 3-9-2-4.

EXAMPLE: Widget Corporation wishes to make a \$5,000 contribution to the Little Committee for Good Government, a political action committee. In making the contribution, Widget Corporation must designate which subcategory limit (or combination of subcategories) this contribution is to be credited towards.

Widget Corporation designates \$2,000 of the contribution towards its state party committee subcategory limit, \$2,000 of the contribution towards its statewide candidate limit, and \$1,000 towards its state house legislative caucus limit, all in compliance with IC 3-9-2-4.

Widget Corporation is **not** required to designate these contributions for disbursement by Little Committee for Good Government PAC **specifically** to the Federalist Party State Committee; John Adams, the Federalist Party candidate for Attorney General; or to the Nationalist Party Legislative Caucus of the Indiana House of Representatives.

A corporation or labor organization may contribute a total of **\$22,000** per calendar year to political committees, including contributions made to a political action committee sponsored by the corporation or labor organization. (IC 3-9-2-5) No other contributions from a corporation or labor organization to a political committee are authorized by statute. (IC 3-9-2-3(b))

Where the Limitations Do Not Apply

The limitations **do not** apply to nonpartisan registration and get-out-the-vote campaigns by a corporation aimed at its stockholders and employees. The limitations also do not apply to a labor organization’s nonpartisan registration and get-out-the-vote campaigns that are aimed at its membership.

The limitations **do not** apply to a contribution or transfers by an incorporated nonpartisan political action committee to any other committee. It also does not apply when the contribution is supporting or opposing the approval of a public question submitted to the electorate of the entire state or a local public question. (IC 3-9-2-6)

Sponsoring a Political Action Committee

A corporation or labor organization may establish and control a political action committee and pay the administrative costs of that committee. The donations of these administrative costs **are not** considered contributions. (IC 3-9-2-5(b))

Administrative costs include items such as rent, office expenses, management fees, and the cost of solicitations of contributions, etc. (IC 3-5-2-15(e))

Fining Procedures for Corporations And Labor Organizations

Civil Penalties

A corporation or labor organization that exceeds the maximum contributions permitted under the Campaign Finance Act is subject to a civil penalty. The maximum amount of the civil penalty is three times the amount the contribution exceeds the limits prescribed by IC 3-9-2-4. All the investigative costs incurred and documented by the Election Division or a county election board may be added to the total.

EXAMPLE: If a corporation or a labor union gave a total of \$3,000 in contributions to candidates for the Indiana House of Representatives, the total excess amount of contributions is \$1,000. The Commission or county election board can impose a penalty of up to \$3,000 (3 x \$1,000). If the administrative costs were \$15, the total fine for this corporation or labor organization can be up to \$3,015.

Criminal Penalties

A corporation or labor union that recklessly exceeds the contribution limits under IC 3-9-2-4 commits a Class B misdemeanor. (IC 3-14-1-10)

Chapter 7: Auxiliary Party Organizations, Individuals and Partnerships

Auxiliary Party Organizations

This class of political party committee is exempt from the organizational and reporting requirements of the Campaign Finance Act. This category includes many township political clubs, women's auxiliaries, college groups and similar organizations. To qualify, an organization must meet all of the following standards:

Any organization affiliated with a political party and is located within or outside Indiana that:

1. Proposes to influence the election of a candidate for state, legislative, or local office or the outcome of a public question; and
2. Has either had an annual budget of less than \$5,000 in at least one of the last two years; or
3. Has NOT made a contribution of more than \$1,000 to another committee or candidate.

If an organization meets these standards, the organization is **not** required to file campaign finance forms or reports. If the organization has previously filed reports, it should notify the Election Division or appropriate county election board before noon the third Wednesday of January of each year that it is claiming the exemption under IC 3-9-4-1 and IC 3-9-5-1. (IC 3-5-2-2.5)

Even though auxiliary party organizations may not be required to file campaign finance reports, all **auxiliary party organizations** must include a “**disclaimer**” on all literature and advertisements that is circulated or is published in support of or in opposition to a candidate or public question.

The treasurer of an auxiliary party organization that accepts contributions or makes expenditures exceeding \$200 in a year must keep organization funds in a separate account. Money received by an auxiliary party committee may not be used for primarily personal purposes. (IC 3-9-2-1, IC 3-9-2-9, IC 3-9-2-10, IC 3-9-3-2.5 and IC 3-9-3-4)

Individuals

Under Indiana law, individuals may make an unlimited amount of contributions to candidates, political parties, and other political committees during each calendar year.

Some restrictions regarding contributions by individuals apply to federal candidates. Contact the Federal Election Commission at www.fec.gov or at 800-424-9530, extension 1, for additional information.

Partnerships, Limited Liability Companies, and other Business Entities

Under Indiana law, business organizations (**other than corporations - See Chapter 6**) may make an unlimited amount of contributions to candidates, political parties, and other political committees during each calendar year. A partnership, limited liability company, limited partnership, sole proprietorship, a trustee or receiver of an unincorporated entity, or an unincorporated firm are **not** subject to the limits on corporate contributions prescribed under IC 3-9-2-4.

Not-for-Profit Entities

Under Indiana law, not-for-profit organizations (**other than nonprofit corporations or labor unions - See Chapter 6**) may make an unlimited amount of contributions to candidates, political parties, and other political committees during each calendar year. Any unincorporated association such as a club, religious organization, partnership, limited liability company, limited partnership, sole proprietorship, or unincorporated firm is **not** subject to the limits on corporate contributions prescribed under IC 3-9-2-4.

The tax exempt status of an entity which makes a political contribution is determined by the Internal Revenue Service, not the Commission, the Election Division, or a county election board. Contact the Internal Revenue Service at 317-377-0001 for additional information.

Chapter 8: Prohibited Contributors

Although some organizations are subject to contribution amount limits (See **Chapter 6, Corporate & Labor Organizations**), some groups and individuals are prohibited from making **any** contributions in Indiana elections.

Individuals Who Seek to Contribute in the Name of Another

Imagine your good friend, Buddy Solicitor, invites you to a fundraiser for his friend, Larry Luck, who is running for a state legislative office. You work for a nonpartisan organization, Hoosiers Against Misfortune (HAM), which requests that employees not hold themselves out as supporting one party over another. You advise Buddy that, out of respect for HAM, you cannot attend the fundraiser. However, not wanting to disappoint Buddy, you give Buddy some money and tell him to give it to Mr. Luck in Buddy's name. Not only have you violated the campaign finance laws, but so has Buddy.

Indiana Code 3-9-4-16 prescribes a civil penalty of up to \$1,000 against a person who "makes a contribution in the name of another person," or "accepts a contribution made by one person in the name of another person." This penalty may be enforced by the Indiana Election Commission or a county election board. (IC 3-9-4-17) Persons who recklessly make contributions in the name of another and persons who knowingly accept such contributions commit a Class B misdemeanor. (IC 3-14-1-11)

Another hypothetical: Charlie CEO, on behalf of Charles Industries, Inc. ("CII") is invited to a golf fund raiser for his favorite gubernatorial candidate, Gary Gov. His company has already contributed \$5,000, the corporate legal limit, to Gary Gov's campaign. An avid golfer, Charlie wonders if he can get around this troublesome obstacle by asking his assistant, Secretary Sandy, to write a check for the fundraiser. He will then reimburse Sandy from the corporate account for the check amount. Fortunately, Charlie's legal adviser, Caring Counsel is consulted in time. Caring Counsel advises him that such an action would subject him to civil and criminal penalties under IC 3-9-4-16 and IC 3-14-1-11. Caring Counsel is able to appease Charlie, however, by suggesting that Charlie write the check for the golf outing from his personal account, since there are no limitations on individual contributions. Happily, Charlie can now participate in the golf outing. But his game will still be lousy.

Foreign Nationals

Under Indiana law, foreign nationals are prohibited from making contributions in connection with any (1) election (including a public question), (2) convention or (3) caucus in which a candidate is selected. (IC 3-9-2-11)

(Note: Elections activity by foreign nationals is further restricted by the Federal Election Campaign Act, which is administered by the Federal Election Commission. If you are confronting this issue, contact the FEC for further information on foreign nationals: (800) 424-9530 extension 1).

Who is a foreign national? Generally speaking, a foreign national is a **foreign principal** or a **non-U.S. citizen** who is not lawfully admitted for permanent residence in the United States. (2 U.S.C. Sec. 441(e), 22 U.S.C. Sec. 611(b), 8 U.S.C. Sec. 1101(a)(20))

Foreign principals and non-U.S. citizens include:

- Foreign governments
- Foreign political parties
- Foreign corporations
- Foreign associations
- Foreign partnerships
- Individuals with foreign citizenship, and
- Immigrants not possessing a green card.

(See, FEC publication, "Foreign Nationals," May 1994)

Imagine you are a candidate for legislative office. You receive a check in the mail from "Do Good Industries, Inc." Upon further research about this company, you find this corporation is organized under the laws of France. This corporation has violated Indiana Code 3-9-2-11 by contributing to your campaign. If you accept the contribution, you may be in violation of federal laws proscribing acceptance of campaign contributions from foreign nationals. You should promptly return the check, or if the check has been deposited, send a refund and file an amended report, if necessary.

If you have any question about a contributor's nationality, you would be prudent to contact the contributor or conduct some research on the entity's nationality. You may also contact the Corporations Division of the Indiana Secretary of State's Office to determine if an entity is organized under the laws of Indiana or authorized to conduct business in Indiana: (317) 232-6576.

National Banks and Federally Chartered Corporations

Federal law imposes prohibitions against contributions by a national bank or a federally chartered corporation in Indiana elections. (2 U.S.C. 441b; IC 3-9-2-3(c)). Contact the Federal Election Commission at www.fec.gov or 800-424-9530, extension 1, for additional information concerning this issue.

Regulated Gaming Industry

Several recently enacted Indiana statutes prohibit certain individuals or organizations affiliated with the regulated gaming industry from making contributions in Indiana elections. Generally speaking, these statutes are enforced by the state agency regulating the particular area of gaming, with criminal violations of the statutes coming under the jurisdiction of the appropriate prosecuting attorney.

The statutes governing these contributions provide that:

A. Certain contractors with the state lottery commission or its director (or an officer or political action committee of the contractor) may not make a contribution to: (1) a candidate for state office; or (2) a candidate's committee, a regular party committee, or a state legislative caucus committee after March 28, 1996 while a contract is in effect and during the three years following the expiration of the contract. A person who knowingly or intentionally violates this provision commits a Class D felony. (IC 4-30-3-19 and IC 4-30-3-19.5)

B. Certain contractors with the state lottery commission or its director (or a corporate officer or political action committee of the contractor) may not make a contribution to: (1) a candidate for state legislative office or a local office; or (2) a candidate's committee, a regular party committee, or a state legislative caucus committee; after March 28, 1996 while a contract is in effect and during the three years following the expiration of the contract. The person may not enter into these contracts if the person made a contribution to a candidate or committee within three years preceding the award of the contract. A person who knowingly or intentionally violates this provision commits a Class D felony. (IC 4-30-3-19 and IC 4-30-3-19.5)

A person holding a permit from the Indiana horse racing commission or a person with an interest in the permit holder may not make a contribution to: (1) a candidate for state office, state legislative office, or a local office; or (2) a candidate's committee, a regular party committee, or a state legislative caucus committee after June 30, 1996 while the permit holder holds the permit or during the three years after the final expiration or termination of the permit. A person who knowingly or intentionally violates this provision commits a Class D felony. (IC 4-31-13-3.5)

C. A person holding an owner's license or certain types of a supplier's license under the riverboat gambling law or a person with an interest in the licensee may not make a contribution to: (1) a candidate for state office, state legislative office, or a local office; or (2) a candidate's committee, a regular party committee, or a state legislative caucus committee after June 30, 1996 while the permit holder holds the license or during the three years after the final expiration or termination of the license. A person who knowingly or intentionally violates this provision commits a Class D felony. (IC 4-33-2-12 and IC 4-33-10-2.1)

D. A person holding a permit from the Indiana horse racing commission or a person with an interest in the permit holder may not give any property to a member of a precinct committee to induce the member of the precinct committee to do any act or refrain from doing any act with respect to the approval of a local public question concerning pari-mutuel horse racing or the operation of satellite facilities in the county.

A person holding an owner's or supplier's license for a riverboat from the Indiana gaming commission (or a person with an interest in the licensee) may not give any property to a member of a precinct committee to induce the member of the precinct committee to do any act or refrain from doing any act with respect to the approval of a local public question concerning riverboat gaming in the county. A person who knowingly or intentionally violates these restrictions commits a Class D felony. (IC 4-31-13-19 and IC 4-33-10-2.5)

The applicable statutes also define which "persons", whether individual or an organization, are considered to have an "interest" in a permit holder.

By administrative rule, the Indiana gaming commission requires that all riverboat licensees, riverboat license applicants, and supplier licensees file a quarterly report with both the Gaming Commission and the Indiana Election Commission setting forth the persons who hold an interest in a license or certificate of suitability. The Gaming Commission or its executive director may initiate an investigation or disciplinary action against a licensee who fails to file the quarterly report. See 68 IAC 1-13, published as a final rule in the October 1, 1997 issue of the *Indiana Register*.

Chapter 9: General Committee Information

Treasurer Information

All political committees must have a treasurer. Even if a candidate decides to act as the candidate's own treasurer, the candidate/treasurer has the same duties and responsibilities as any other person acting as a treasurer. If a candidate does not establish a campaign committee and fails to file a Statement of Organization (CFA-1), then the Campaign Finance Act provides that the candidate is considered to be the campaign committee and serves as both chairperson and treasurer for the purposes of the Campaign Finance reporting laws. (IC 3-9-1-2, IC 3-9-1-6 and IC 3-9-1-7) Election Division Campaign Finance staff will automatically open a file for this committee, assign a file number, and advise the committee that a complete Statement of Organization must be filed.

Qualifications

Every treasurer of a political committee must comply with the following requirements:

1. The treasurer must be a citizen of the United States.(IC 3-9-1-13)
2. The treasurer may NOT be the chairman of the committee. However, a candidate may serve as both chairperson and treasurer of the candidate's committee. (IC 3-9-1-13)
3. The treasurer must be appointed in writing by the chairperson (see Form CFA-1, 2 or 3). The written appointment must be filed with the Election Division or the appropriate county election board.(IC 3-9-1-13 & IC 3-9-1-14)
4. The treasurer must accept the appointment (See Form CFA-1, 2 or 3). This written acceptance must be filed with the Election Division or the appropriate county election board. (IC 3-9-1-13 and IC 3-9-1-15)
5. Except for a candidate, an individual may be a treasurer for more than one political committee. (IC 3-9-1-18)

General Responsibilities

A good treasurer is critical for compliance with the Act. The treasurer is responsible for all financial activity of a political committee; all monies and things of value collected or received must be paid over to the treasurer and expended or otherwise disbursed by the treasurer. It is unlawful for a political committee, a chairperson, a candidate or any other committee member to disburse or expend money or things for any political purpose until the money or thing of value has passed through the hands of the treasurer.

However, a treasurer may not disburse the funds of the committee or incur any liability for the committee without the authority and with the direction of the political committee. The committee may establish a voucher system whereby disbursement may be made from a voucher drawn by the chairperson and presented to the treasurer for payment. The vouchers must show the specific purpose for which the money is being expended. (IC 3-9-1-20, 21 and 22)

Note: *The Indiana Court of Appeals held that an individual serving as treasurer of a candidate's committee may be held personally liable (along with the candidate) for the debts of the committee. Victory Comm. v. Genesis Convention Center, 597 N.E.2d 361 (Ind. App. 1992).*

On occasion, a committee may wish to designate a prominent individual to serve as its treasurer, while most of the recordkeeping and reporting tasks are performed by an "assistant treasurer" or a "custodian of records."

This procedure is permitted under the Campaign Finance Act, but the treasurer remains responsible for the performing all the duties imposed on a treasurer by state law. For example, the treasurer **must sign the CFA-4 reports required by the Act**, even if the forms were actually prepared by another individual on behalf of the treasurer.

Another procedure exists which can facilitate service to a committee by a prominent treasurer, with routine tasks being performed by another committee member. Under Indiana Code 30-5-5-14(a)(6), an individual holding a **power of attorney** may execute any document under the election code, except a ballot or absentee ballot. A committee may wish to have the treasurer execute a power of attorney to permit an assistant treasurer to sign CFA-4 reports and other campaign finance documents. An executed copy of this power of attorney should then be filed with the Election Division or a county election board to prevent confusion regarding this individual's authority to act for the committee.

Tax Information

If a committee treasurer wants to open a bank account, the bank will require an employer identification number or the committee will have to use an individual's social security number. If the organization uses a social security number on the account and earns interest on this account, the interest will be reported to the Internal Revenue Service under the individual's social security number.

Although contributions to a political organization are generally tax exempt, **investment** of these funds and resulting interest income may result in tax liability.

A political organization must file **Form 1120 POL** if the organization has any *taxable* income. A copy of this form is included at the back of the manual.

For more information on obtaining federal tax identification number, call the Internal Revenue Service at 606-292-5467. Consult your tax advisor regarding the tax liability for political organization income.

Record Keeping Responsibilities

The treasurer of a committee shall keep a detailed and exact account of all information required to be reported on the CFA-4 and CFA-11 reports.

NOTE: State law no longer requires the treasurer to keep itemized records concerning contributions of more than \$25 and no more than \$100, although this may be critical in determining when a contributor has exceeded the \$100 aggregate amount.

The treasurer of a committee shall obtain and keep receipted bills, canceled checks, or other proof of payment, stating the particulars for each expenditure made by or on behalf of a committee:

1. Of more than \$25; and
2. For a small amount, if the aggregate amount of the expenditures to the same person during a year exceeds \$25.
(IC 3-9-1-24)

The treasurer shall preserve all receipted bills and accounts required to be kept by this section for:

1. Three years; or
2. One year after the date of dissolution of the committee; whichever occurs first. (IC 3-9-1-24)

Any person who solicits or receives contributions, other than the treasurer, must turn them over to the treasurer, without diminution, within thirty (30) days after receipt. (IC 3-9-2-9)

Reporting Responsibilities

The treasurer of every political committee is responsible for filing the political committee's reports of receipts and expenditures on forms prescribed by the Commission.

See Chapter 2 for special reporting requirements applicable to certain federal political action committees.

If a political committee, other than the candidate's committee, receives contributions or makes expenditures on behalf of a candidate, a notice must be given to the candidate's committee of the amount of such contributions and expenditures (CFA-5) and the candidate must report those amounts on the CFA-4 form or CFA-11 form. (IC 3-9-5-15)

Removal and Replacement

A committee may remove a person appointed or designated treasurer by the committee without assigning a cause. The committee may also appoint or designate the successor of the removed treasurer. Upon removal, the treasurer shall immediately account for and turn over to the treasurer's successor in office the value then in the treasurer's possession. No later than noon thirty (30) days after the removal, the treasurer shall file a full, true and detailed account and statement of receipts and expenditures (Outgoing Treasurer's Report) with the Election Division or appropriate county election board office. (IC 3-9-1-19 and IC 3-9-5-12)

Change of Treasurer

Within ten (10) days following a change of treasurer, the committee must file an amended Statement of Organization (CFA-1, 2 or 3) with the Election Division or appropriate county election board office. (IC 3-9-1-10)

Record Keeping

A complete and accurate record is the most essential element in fulfilling the campaign finance reporting requirements. There are various forms that must be completed to keep an accurate and daily account of contributions and expenditures received or disbursed by a political committee. It is very important to keep a record of everything in order to have an up-to-date and complete report when filling out the necessary campaign finance reports. All this can be accomplished with little difficulty by keeping the following forms and procedures daily and accurately.

Recording Contributions And Other Receipts

1. **Receipts:** A pre-numbered cash receipt form with a duplicate copy should be used. The original receipt should be given to every person, business, labor organization or other person who makes a contribution to a political committee. The duplicate copy should be kept on file as the committee's copy to assist in filling out the ledger sheet at the end of the day.

2. **Contributor Cards:** A file card or equivalent file in a computer software program should be completed and retained on each contributor who makes a donation regardless of amount and whether it is cash or a non-cash item. It is very important to note if the contributor is a corporation or labor organization. Contributions from these entities are limited and must not exceed the amounts established by IC 3-9-2-4. This card or file will contain a running balance so that when the amount of total contributions from any person or group exceeds \$100, this information can be readily pulled and the information listed on the CFA-4 report as “Itemized Contribution” on Schedule A. Every entry on this card or file should also be entered on the ledger sheet or software program.

Recording Expenditures and Other Disbursements

1. **Checks:** All expenditures and other disbursements should be made by check and a bill of sale, paid invoice or a receipt for a disbursement should be received and retained. Checks with detachable stubs or with duplicates should be used so that an accurate accounting of the money disbursed can be made. All amounts expended or disbursed should be recorded on the Expenditure Card.
2. **Expenditure Card:** An expenditure card or computerized file should be completed and retained on each expenditure and disbursement made, regardless of the amount. This card, like the contribution card, will contain a running balance for when the amount of total expenditures to any person, vendor or other group (other than political committee) exceeds \$100. This information can be readily pulled and listed on the CFA-4 report as an “Itemized Expenditure” on Schedule B. All transfer amounts given or paid to another political committee should be listed on an expenditure card and on Schedule B. Every entry on this card should also be entered on the ledger sheet or program.

Ledger Sheet, Cash Receipts and Disbursements Record

This record is designed to provide a simplified method of record keeping and may be used by political committees having a minimum amount of transactions as well as those having multi-column ledger sheets, obtainable at most local stationery stores. Computer software programs are also available which contain an adequate ledger program.

The columns on the far left of the form are headed to show the following:

Date
Receipt or Check Number
To Whom Paid or From Whom Received

The column numbers one through three should be headed:

#1 Cash Received
#2 Cash Disbursed
#3 Balance on Hand

These columns will indicate a running cash balance and should be totaled daily and reconciled each month with the bank account.

Receipts – Columns four through eight are to be used to classify the contributions as follows:

#4 Cash Contributions
#5 Transfers-In
#6-#8 (to be used for classifying specific types of receipts, if desired)

Cash receipts columns (No 4-8) should be totaled each day and such totals should agree with the daily total shown in Column #1. This total would represent the daily bank deposit.

Disbursements

Columns nine through twenty-one are to be used to classify all expenditures such as advertising, office supplies, rent, utilities, etc., for which payments are made. The cash disbursement column should be totaled each day and should agree with the daily total shown in Column #2.

Note: The treasurer of the political committee shall preserve all receipted bills, records and accounts required to be kept for **three** years or for **one** year from the date of disbandment of the committee, or whichever occurs first.

Disclaimers

An individual, organization or a committee who expends money or solicits a contribution to finance a communication that expressly advocates the election or defeat of a clearly identified candidate must include a “disclaimer” in the communication. (IC 3-9-3-2.5)

However, the Indiana disclaimer law does not apply to:

- (1) Communications concerning election to a federal office (these are governed by federal law and regulations).
- (2) Communications about a public question.
- (3) Political messages on radio, television, or the Internet (These media are regulated by federal law. For more information concerning any disclaimer requirements for these messages, contact the Federal Communications Commission).
- (4) Items where a disclaimer cannot be conveniently printed or would be impractical such as bumper stickers, pins, buttons, pens, wearing apparel, water towers, skywriting, etc.
- (5) Committee checks and receipts only used for administrative purposes.
- (6) Certain communications (direct mailings of 100 or less similar pieces of mail, or communications by the PAC of a corporation or labor union requesting contributions from stockholders or labor union members).

Some examples of political materials and literature requiring disclaimers are newspaper advertisements, billboards, signs, posters, **yard signs**, (whether homemade or commercially printed), portable billboards, brochures, leaflets, circulars, letterheads and direct mail pieces sent to **more** than 100 persons.

There is no specific location for the disclaimer to be printed, as long as it is legible. In mailings, the disclaimer should appear in a prominent location, but is not required to be placed on **each** page of a document.

The individual, organization or committee must include in the advertisement or material one of the following statements:

1. If both authorized and paid for by the candidate or candidate's committee or an agent of the committee:

"Paid for by Smith for State Senate Committee."

2. If authorized by the candidate but paid for by someone OTHER than the candidate, or the candidate's committee or agents:

"Paid for by ABC PAC, or (ABC Political Party, or ABC Corporation, or ABC Labor Union, or ABC Association, or Mary Smith, concerned citizen) and authorized by John Doe for County Sheriff Committee."

3. If NOT authorized or paid for by the candidate, the candidate's committee or agents:

"Paid for by John Doe, Mary Parker and Bill Jones, and not authorized by any candidate or candidate's committee."

All committees having gross receipts over \$100,000 in a taxable year must also state on all literature and advertisement (including radio and television ads) soliciting funds:

"Contributions or gifts to the _____(insert the name of the committee) are not deductible as charitable contributions for federal income tax purposes." (Section 6113 of the Internal Revenue Code)

EXCEPTION: If a communication is made by a regular party committee consisting of:

- (1) printed slate card, sample ballot, or other printed listing of three or more candidates for public office at an election;
- (2) campaign materials, such as handbills, posters, yard signs, or newspapers in connection with political party volunteer activities; or
- (3) materials distributed by volunteers as part of the party's voter registration or get-out-the-vote efforts;

the communication must clearly state the name of the person who paid for the communication, but is not required to state that the communication was authorized by a candidate or committee. (For example: *"Paid for by the Garden Party State Committee."*)

EXCEPTION: A political action committee soliciting funds to pay administrative costs is not required to include the disclaimer required by *state law* since these “administrative costs” are not “contributions” under Indiana law. (IC 3-5-2-15(e))

Penalties

Circulating or publishing material concerning a candidate without the required disclaimer is a Class A misdemeanor and can be punishable by up to a \$5,000 fine and not more than one year imprisonment, or possibly both. (IC 3-14-1-3 and IC 35-50-3-2)

Political signs may NOT be posted or placed on any other person’s property, including a highway right-of-way and on utility poles, **without the property owner’s permission**. Placing political signs **with** the approval of the property owner may also be subject to local zoning regulations. Ask your local planning commission for more information.

An unauthorized sign placed in a highway right-of-way is a public nuisance. If placed in a highway right-of-way, the sign may be removed, but ONLY by the authority having jurisdiction over the highway. (IC 9-21-4-6) Contact the appropriate office (the city or town street department, the county highway department or the state department of transportation) for assistance.

Removing signs without the authority to do so may be criminal conversion, a Class A misdemeanor (IC 35-43-4-3). Consult your personal attorney if you need more information.

Chapter 10: Enforcement & Penalties

Enforcement Procedures

The Election Division and each county election board are responsible for administering the Campaign Finance Act. As part of this administrative responsibility, the Election Division or board must ascertain whether candidates, committees, or other persons have failed to file statements of organization or reports, or have filed defective statements of organization or reports.

The Election Division or a county election board is required to conduct audits and field investigations from time to time with respect to reports and statements filed under the Act, and with respect to an alleged failure to file a report or statement. (IC 3-6-4.2-10 and IC 3-9-4-13)

Delinquent Reports

After determining that a delinquency has occurred, the Election Division or board must give notice to the delinquent candidate, committee, or person to file a statement of organization or report. The candidate, committee, or person must file the delinquent statement or report immediately following receipt of notice. The Election Division or board must make a list of delinquent filers available for public inspection and post a list of delinquent filers in a public place near the entrance to the office. (IC 3-9-4-14)

Defective Reports

The Election Division and each county election board shall ascertain whether candidates, committees or other persons have filed defective statements of organizations or defective reports and give notice to a committee filing a **defective** report to correct the report no later than noon 5 calendar days after receiving the notice. The Election Division or board shall make available for public inspection a list of persons who fail to file the required statements and reports to correct a defective filing.

Penalties

A person who fails to file a required statement or report is subject to a civil penalty of up to \$1,000 to be assessed by the Commission, county election board, or both, for the delinquent report. The penalty is \$50 per day with the afternoon of the deadline day counting as the first day. Investigative costs may be added by the Commission and county election board to the penalty.

A person who fails to file a correction to the defective report is subject to a civil penalty up to \$100 to be assessed by the Commission, county election board, or both. The penalty is \$10 per day, with the afternoon of the fifth day after receipt of the notice counting as the first day. Investigative costs may be added by the Commission or county election board to the penalty.

A person who fails to file a report required by the Campaign Finance Act with the appropriate office commits a Class B misdemeanor and is subject to a \$1000 fine, 180 days imprisonment, or both. (IC 3-14-1-14)

A person who knowingly files a fraudulent report commits a Class D felony and is subject to a \$10,000 fine, three years imprisonment, or both. (IC 3-14-1-13)

A member of the Commission, the co-directors of the Election Division (with the authorization of the Commission), or a member of a county election board may conduct a hearing or investigation, take evidence, and report back to the Commission or board for its consideration and action. (IC 3-9-4-15) Hearings are subject to the procedural requirements set forth in the Administrative Adjudication Act (IC 4-21.5). The Commission or board may subpoena persons and papers for this hearing. (IC 3-6-4.1-19 and IC 3-6-5-27)

If the Commission or board determines that a felony or misdemeanor violation of the Act may have occurred, the violation must be reported to the appropriate prosecuting attorney. The Commission or board may have the report transmitted to the grand jury of the county in which the violation was committed and present evidence concerning the violation to the grand jury. (IC 3-14-5-3) A prosecuting attorney is responsible for prosecuting criminal violations of the Act, and may criminal charges following referral by a county election board. (IC 3-14-5-4 and IC 3-6-5-32) The attorney general is authorized to bring a civil action such as a permanent or temporary injunction to prevent or stop violations of the Act. (IC 3-6-4.1-22 & 3-6-5-32)

Civil Penalties

The Commission or a county election board is **required** to impose a civil penalty for certain violations of the Campaign Finance Act, including delinquent reports and statements of organization, unless the Commission or county election board members agree **unanimously** to reduce or waive the civil penalty because imposing the penalty would be “unjust under the circumstances.” (IC 3-9-4-19)

The Commission or board may impose a civil penalty upon a person for the following:

1. Failing to file a report required under the Act with the Election Division or board.
2. Failing to file a statement of organization required under the Act.
3. If a committee or a member of the committee disburses or expends money or other property for any political purpose before the money or other property has passed through the hands of the treasurer of the committee.
4. Making a contribution other than to a committee subject to the Act, to a person authorized by law or to a committee to receive contributions on the committee's behalf.
5. Against a corporation or labor organization, for exceeding the limits on contributions under the Act.
6. Making a contribution in the name of another person.
7. Accepting a contribution made by one person in the name of another person.
8. When not the treasurer of a committee subject to the Act, paying any expenses of an election or a caucus unless authorized to do so by the Act.
9. Commingling committee funds with personal funds of an officer, a member, or an associate of the committee.
10. Wrongfully using campaign contributions in violation of the Act.
11. Against a state legislative candidate or committee, for engaging in fundraising activities during a prohibited period.

In addition to the penalties of delinquent or defective reports discussed earlier, the Commission or county election board may assess civil penalties in the following instances:

- (1) A corporation or labor organization that exceeds the maximum contributions permitted under the Act is subject to a civil penalty of not more than three times the amount of the contribution in excess of the limit prescribed by IC 3-9-2-4, plus any investigative costs incurred and documented by the Election Division or board.
- (2) A state legislative candidate or the candidate's committee, that engages in fundraising activity during a prohibited period is subject to a civil penalty of \$1,000 or two times the amount of any contribution received, whichever is greater.

All other violations listed above are subject to a civil penalty of not more than one thousand dollars (\$1,000), plus any investigative costs incurred and documented by the Election Division or board. Certain officeholders who have not satisfied previous civil penalties may also be subject to additional penalties under the Act. (IC 3-9-4-18)

All civil penalties collected are deposited in the state (or county) campaign finance enforcement account. The funds in these accounts may be available to supplement funds otherwise appropriated to administer the Campaign Finance Act.

Criminal Penalties

Certain violations are also subject to criminal penalties:

1. Failure to include a required disclaimer
 - Class A misdemeanor (IC 3-14-1-3)
2. Failure of committee to appoint treasurer
 - Class B misdemeanor (IC 3-14-1-7)

8. Recklessly commingling committee funds
 - Class B misdemeanor. (IC 3-14-1-14.5)
9. Knowingly or intentionally engaging in wrongful use of campaign funds – Class A infraction. (A civil judgment, not a criminal penalty.) (IC 3-14-1-6)
